## OPPORTUNITIES FOR BUSINESS.

At towns on the new lines of the Chicago & Norfolk-Wesleyan Railway are summarized in a pamphlet that may be obtained upon application to W. B. Kniskern, General Passenger and Ticket Agent, 22 Fifth Ave., Chicago, Ill. we 21, 23, 25

Human Nature Public Everlasting. We sometimes put on a long face, remarks an exchange, and look as though we hadn't a friend in the world, just because some person has found fault with something he saw in our paper. But why feel so badly over "spilled milk"? The merchant doesn't please all his customers; the postmaster, too, is kicked and cursed because he made mistakes; the station agent is frequently backed up in the corner by some old woman, and given to understand this and that and numerous other things; the barber is censured for his dull razor; the baker is accused of fraud—some people declare that he puts too much wind in his bread; the butcher is forever reminded of his tough meat; the grocer charges poor accounts to good customers so as to "even up," and even the preacher finds it hard work to please all his congregation with his best sermon. The only good person is the one who is doing the kicking.

To Keep Brushes Clean. The best way to clean hair brushes is with spirits of ammonia, as its effect is immediate. No rubbing is required, and cold or tepid water can be used as successfully as warm. Take a tablespoonful of ammonia to a quart of water, dip the brushes without wetting the back, and in a moment the grease is removed; then rinse in cold water, shake well and dry in the air, but not in the sun. Soap and soda soften the bristles and do not get them so thoroughly clean.

Not a Confiding Nature. Mr. Johnson—I don't like that Farmer Jones. He's too 'spicious. Mr. Jackson—What's he done now? Mr. Johnson—He's done gone and put a six-foot high-wire fence around his nation patch.

Several contributions have been received by the ladies since they had their Indian Famine tea on Thursday afternoon and evening, and it has been decided to hold the funds until the middle of next week. Any further donations of money will be gladly received by Mrs. S. T. Martin or Mrs. W. J. Taylor.

Money to Lend on Mortgages—Farmers and others wanting to borrow money on mortgages at best rates and save expenses and time, and secure other advantages, should apply personally to the Chatham Loan & Savings Company.

This morning two Dagniau children aged three and one years respectively were removed from their home in the row next to Smyth's grocery on Wellington St. to the isolation ward of the hospital. They were suffering from diphtheria. Health Inspector J. Gattidge disinfected the house.

The Trusts and Guaranty Company, Limited, 14 King street, west, Toronto, have been appointed administrators of the estate of the late John Garburn, of the Township of Bayham, Elgin County, in November last. The estate consists of two farms in that township, together with personal estate amounting in all \$5,000.
