#### INDUSTRIAL CHATHAM

Mayor Sulman has received a letter certain information in regard Chatham. The gentleman knows Chatham, and is favorably im ressed with this city. He has sufficient ital subscribed to build a large win-dow glass factory, and may be induced to locate hers. He requests, however, that his name be not divulged to the papers, as would be overwhelmed with letters from other places, asking for the factory. The Belgian knows what Chatham is, and, if he gets certain

concessions, will locate here.

\$100 REWARD, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a con-stitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting ing up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials
