Rev. H. T. DeWolfe is to address the Kentville Y. M. C. A. on Sunday.

The Art Embroidery Club will meet on Tuesday evening of next week at the home of Mrs. H. G. Collins.

Mr. John S. Miner brought in to THE ACADIAN one day last week two ripe, red strawberries which he found in the "berry patch."

A report of the proceedings of the late W. C. T. U. Convention at New Glasgow appears on the fourth page of THE ACADIAN this week.

On Monday evening, Oct. 20th, Rev. G. J. Coulter White is to give his lecture on "Costumes, Customs and Curios of Palestine and Syria," in the Baptist church at Gasperen.

Bargains in stationery, paper and envelopes, visiting cards, etc., at less than cost. Stamped lines at very low prices while they last.

AT THE EXCHANGE.  
Rev. Rural Dean Dixon officiated at Sackville, N. B., last Sunday, the services in St. John's church being taken by Rev. Rural Dean Wiggins, of Sackville. On Monday morning Mr. Dixon addressed the students of the Ladies' College by special invitation.

The ratepayers of Wolfville who have not paid their taxes for 1907, will please take notice that the amounts due the town are very much needed now as there are heavy outlays at this time of year for which money must be borrowed unless those in arrears pay their rates promptly.

Five room tenement to let. Apply to E. B. SHAW, Wolfville.

THE ACADIAN wants a good smart girl to learn type-setting. A good common school education is required. Every opportunity will be given for advancement and good wages paid as soon as sufficient skill has been acquired. The work is easy and pleasant, and a permanent situation guaranteed. Apply at once.

Mr. Duncan McKinnon, of Campbellton, N. B., a member of the Junior class, one of Acadia's forwards, had the misfortune to have his collarbone broken during the game on Wednesday. Mr. McKinnon is considered one of the best players in the team and this accident will compel his giving up play for the season.

THE ACADIAN is glad to announce that Principal DeWolfe has made arrangements for another visit from Henry Lawrence Southwick, who has on several occasions charmed Wolfville audiences with his elocutionary powers. Dean Southwick will appear in College Hall on Friday evening, Nov. 8th, when Sheridan's well-read and most interesting and popular play, "The Rivals," will be presented.

The new boiler for the electric light station arrived on Monday. It is a massive affair, weighing fifteen tons. The work of moving it from the car to the foundation prepared for it was at once begun under the direction of Mr. Sidney Borden, of Port Williams. This was accomplished yesterday, and the brickwork will be proceeded with as rapidly as possible. It is hoped that we may have the light on again by the end of the week.

Mrs. Nalder will speak in the Methodist church on Sunday evening next, on the work of Pundita Ramabai, "among the little widows of Judea," under the auspices of the Kings Daughters. It is expected that a parlor meeting will be held for ladies under the auspices of the W. C. T. U. early in the week. Mrs. Nalder is a very interesting speaker. She has several views of the home and her proteges, also books on the life of Ramabai for sale.

The services in St. Andrew's church last Sunday were of a very pleasing character. In the morning the pulpit was filled by the new president of Acadia, Rev. Dr. Hutchinson, who preached a very helpful sermon from 1 John 4:19—"We love him because he first loved us." Dr. Hutchinson expressed himself as much pleased to meet and become acquainted with all those who are trying to do God's work. He is a very pleasing and interesting speaker. In the evening Rev. Dr. Coburn preached an earnest and practical sermon from Rom. 6:11—"Let us reckon ye also yourselves to be dead indeed unto sin, but alive unto God through Jesus Christ our Lord."

APPLES WANTED.—Wanted consignments of apples to sell by auction or private sale. Have large, cool warehouse and storage rooms. Prompt returns. In business 35 years. References any bank. J. W. SHUTT, Market Square, New Glasgow.

The entertainment given by the Boston Entertainment Party in College Hall last Friday evening was a pleasing and popular performance. The program was varied and every number was repeatedly applauded. Miss Madge Farman, elocutionist, appeared to splendid advantage, not only in her single numbers but as well in humorous sketches, in which she was ably assisted by Mr. Frank LeRoy Beck. Owing to the absence of certain these latter were given under some disadvantages. Miss Gertrude Everts as a vocalist and pianist was very pleasing. The audience was on ly fair. It is hoped that Mr. Rand may be accorded a much larger attendance at future entertainments, and thus encouraged in his efforts to bring first-class companies to our town.

The anniversary services of the Methodist Sunday school, held last Sabbath evening, drew a crowded church notwithstanding the inclement weather. The exercises were of an exceptionally interesting nature, consisting of musical selections, recitations and lesson studies, so that every member of the school was assigned some part. The school is generally to be congratulated on the interesting character of their annual service.

An Ottawa dispatch announces that F. W. Howay, barrister, of New Westminster, B. C., has been appointed a Judge of the County Court, in place of Judge Bole, retired. Brown, accompanied by his wife and little boy, after a vacation of seven months, spent in visiting friends here and in Nova Scotia, returned to Hong Kong, leaving Windsor on Thursday via Canadian Pacific Railway to B. It has been a great pleasure to the Captain to greet old friends after so long an absence but returns disgusted with the politics of Nova Scotia. He thinks there is an advance in the growth of the country, especially the Valley, and thinks the farmers are at last waking up to their possibilities.—Journal.

Baby's health and happiness depend upon its little stomach and bowels performing their work regularly. If these are out of order Baby's Own Tablets will cure the trouble quicker than any other medicine, and the mother has the guarantee of a government analyst that this medicine is perfectly safe. Mrs. Frank Neill, Marksville, Ont., says: "I have used Baby's Own Tablets for stomach and bowel trouble, breaking up colds and destroying worms and always with the best success." Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## Better This Year Than Ever.

Any person who has read the Family Herald and Weekly Star for a few years back would wonder how it could be improved from year to year. Still every one will admit that during the past twelve months there has been a wonderful improvement and the Family Herald and Weekly Star is to-day bigger value than ever before. Newspaper, Magazine, and Agricultural Journal all combined, it is certainly a unique publication. Any person who does not know the Family Herald and Weekly Star should give it a trial for 1908. It is a wonderful dollar's worth.

A unique feature of this table and one of the attractions of the show was the display of apples from Seaview Farm, Starr's Point, the proprietor of which is Mr. Arthur Starr. In this display Mr. Starr shows not only most of the known varieties but a large number of varieties altogether unknown to the general public such as Chabotto, Fourth of July, Wolf River, Belle de Boscoupe, Ontario, McIntosh Red, Red Beitheimer, Chango, Scarlet Parnatta, Fall Queen, Rambo, Rome Beauty, Victor, St. Lawrence, etc. all fine looking fruit.—Windsor Tribune.

A grand reception was given in Halifax on Tuesday to Hon. W. S. Fielding. A torchlight procession was followed by speeches in the Empire Ring, to which some five thousand persons listened. Mr. Fielding was, of course, the chief speaker. He was followed by Sir Wilfred Laurier, Sir Frederick Borden, and Hon. William Pugsley, the new Minister of Public Works.

The steamer Volund was hauled off the rocks at Blomidon on Wednesday of last week and taken to Parrabro for temporary repairs. Her cargo of plaster was thrown into the sea.
