HARTLAND DOES THE GRAND

(Continued from page 1)
licity they have already given us in
their booklet.

I would further say that we have
two large lumber mills in the Town
with a number of others in the ad-
jacent country; also we have a thriv-
ing wholesale drug business here as
well as cement works and other in-
dustries.

To the C. W. N. A., I want to say
that we are really proud of our own
newspaper and its proprietor. He is
apparently one of your live members,
for we know that this present excur-
sion to Grand Falls and Edmundston
is his idea, and that he has spent much
time and energy in carrying this idea
through. To the Carleton Observer we
owe much of the favorable public-
ity that the Town has had in the past,
and we depend on it ever to be boost-
ing for progress and the right. We
know that a weekly paper is indis-
pensable to any community that de-
sires to thrive and grow, and that the
united force of the Weekly Press is a
mighty force in Canada.

To both organizations we wish a
pleasant and profitable trip. May you
at your different conventions have a
helpful session and come back to serve
your public better equipped with
knowledge and power than ever be-
fore.

We thank you and feel honored that
you have considered it worth your
while to grant our Town even this
short period of your time that we
might have the opportunity to ex-
change greetings. We wish we were
going with you.

On behalf of the Newspapermen and
the Tourists J. L. Stewart, the dean of
New Brunswick Journalism responded.
Then followed cheers for the town of
Hartland and the C. N. R. and C. P. R.
and the N. B. Tourists Association as
the train started.

The party gave Editor Stevens three
cheers for his successful promotion of
the trip.

Up to this point the touring party
had had no luncheon, but by lightning
work of the Women's Institute and
a number of other progressive ladies
feared an army, and if they could have
heard the words of appreciation ex-
pressed by the tourists they would
have felt amply repaid for all their
trouble.
