**Brippling Leg Ulcers**

"After the way Zam-Buk saved my leg, I consider it a duty to let others know of its wonderful healing," writes Mr. Edward Bingham, of 118, Brant Avenue, Brantford. "Ulcers broke out on my right ankle after typhoid, and the limb got so terribly inflamed and the pains were so intense that I was too disabled to move in any way. After using lotions, salves and ointments, without avail, I decided to see what Zam-Buk could do. The first application of this herbal balm relieved swelling and soreness in a surprising way and as I continued with Zam-Buk discharge ceased and the ulcers began to be 'healthier looking' and far less painful. In a week or two, thanks to Zam-Buk, the last of the inflammation had gone and the ankle was thoroughly healed with firm new skin."
