

THE WAR CLOUD.

AMERICAN SUPPLIES FOR RUSSIAN ARMY.

Prominent Statesmen Consider the Situation Critical.

St. Petersburg, Jan. 28.—Three hundred Japanese soldiers will be sent to the front under the president of the Russian army, to consider the terms of the Russian response to Japan's demand.

Paris, Jan. 28.—U.S. Ambassador Pomeroy had another long talk with Foreign Minister Delcasse today, after the late arrival of the Russo-Japanese situation. M. Delcasse, the Russian ambassador, and Prince von Radolinski, the ambassador of Germany, called at the same time. The former believes the Czar's influence will lead to a peaceful adjustment, but other officials of the embassy do not believe the ambassador's views and are inclined to believe that war will result. Prince von Radolinski, who was stationed at St. Petersburg for a long time and who is familiar with court influences, considers that the war element is likely to get the upper hand. Government opinion here remains unchanged, the officials holding that the situation is warlike, but has not passed beyond the chance of diplomatic adjustment. It can be asserted positively that France shares the view of the United States, British and other governments that no joint mediation is desirable as it would probably irritate the situation, but that no power should use influence through its own diplomatic channels towards the maintenance of peace.

SAN FRANCISCO, Jan. 28.—Three special freight trains have just arrived here from Kansas City and Omaha with a large quantity of mess beef destined for the Russian army in the Orient. They contained over three million pounds of beef. The trains came west on fast time in order to catch a steamer. Half the shipment will go to Post Arthur and the remainder to Vladivostok.

NEW YORK, Jan. 28.—The native disturbances at Pi-Eng Yang are increasing, according to a herald despatch from Seoul, Korea. The secret rebel society known as the Tong Haks is openly threatening foreigners and the overthrow of the present dynasty. The Tong Haks were prominent factors in causing the China-Japanese war of 1894.

MUNICIPAL COUNCIL.

Continued from page 2.

On motion of Coun. Connors the following resolution was adopted:

Resolved that the Sec. Treas., under the supervision of the Finance committee be empowered to borrow a sum sufficient to meet the financial exigencies of the county, not to exceed the sum of \$6,000 under the act of Assembly authorizing such loans.

Coun. Pond moved that the Councilors and referees' seasonal allowance and mileage be passed.

Coun. Pond moved that the constables and official reporters be paid their usual fee.

Coun. Connors moved that an assessment of \$2500 be placed on the health district.

Coun. Pond said that it was the duty of the council to appoint two members of the Board of Health and he moved that Dr. Desmond be a member of the Board of Health.

Coun. Flett moved that Dr. Hayes be a member of the board.

Coun. Anderson nominated Coun. Watt.

On a vote being taken it was in favor of Dr. Desmond, and Coun. Watt.

On motion of Coun. Doyle the account of David Clark, Parish clerk, Newcastle, \$100 passed.

Coun. Connors moved that Coun. Davidson, Doyle and Flett be the finance committee for the ensuing year. Carried.

On motion of Coun. Connors the warden vacated the chair and Coun. Morrison acted as chairman.

Coun. Anderson moved a vote of thanks to the warden for the very official, impartial and expeditious manner in which he conducted the business of the session. Carried unanimously.

The warden in a few words thanked the council for its commendation of the manner in which the business was transacted and trusted to meet all at another session.

The usual vote of thanks were passed to the Sec. Treas., Auditor and Reporters, to which these officials responded.

Coun. Watt explained that in committee \$10 had been struck out of Buckley's account for hay. It had been seen the chairman and learned that this was for the cattle of one of the small patients as said cattle were actually starving. He would move that this amount be added to his account. Carried.

The council adjourned sine die.

CANNOT DO WITHOUT IT

Once Dr. Charles O'Connell became known, it is impossible in the history of the world of ways in which it can be seen. While the outcome to be known as a positive cure for cancer, skin, rheumatism, indigestion, and the most common diseases of the skin, it is also a powerful remedy for cholera, dysentery, and all other diseases of the bowels.

Complete Cure for Bono Spavin.

Dr. J. J. Kendall, Newcastle, N. B., Jan. 28, 1904. I have used your Bono Spavin Cure for some time and have found it to be a most reliable remedy for Bono Spavin, Rheumatism, Gout, etc., and all other diseases of the bowels. I can recommend it to all who are afflicted with these diseases. Yours truly, J. J. Kendall.

Very truly yours, J. J. Kendall.
