TOM COLEY WON CHRISTMAS RACE.

Ellis Hamilton Was Second and Green Third.

Ed. Cotter Won the Twelve-Mile Race at Burlington-Temaceo Captured the Handicap at New Orleans—Notter Rode Four Winners.

Only fifteen runners, out of the twenty-five entered, started in the Christmas Day race yesterday afternoon and ten of those finished. The course was in a wretched condition, the rain in the morning making the going very heavy. Consequently the time was not near the record, but it was good considering the state of the roads. The Toronto Irish-Canadian Athletic Club started only two of the five men entered and both were "in the money." Tom Coley, the odds on favorite won the race and his stable champion, Hilton Green, an Indian, was third. They were split by Tom Ellis, a Y. M. C. A. boy, who was handled by Jack Caffery.

Coley went to the front as soon as Barton street was reached and opened up a gap that the other runners were unable to overcome, despite the fact that Coley tired badly toward the finish, and was all in when he crossed the tape. There was an interesting fight for second place between Ellis, Green and Dennis Bennett, of Hamilton, and they finished in the order named. Ellis was in good shape to the finish, and had been properly looked after would have given Coley a much harder race.

Following is the order in which the runners finished:
1. Tom Coley, Toronto 59.04
2. Thos. Ellis, Hamilton 60.23
3. Hilton Green, Toronto 61.55
4. Dennis Bennett, Hamilton 62.33
5. Isaac Furry, Hamilton 63.17
6. Roy Potter, Hamilton 67.28
7. Ernest Woods, Toronto 67.28
8. W. Strupp, Hamilton 68.00
9. Paul Prellip, Hamilton 68.40
10. Harry Hill, Hamilton 69.06

The others who started but didn't finish were: Grant Furry, Grimsby; Sidney Jennings, Clarence Kirkpatric; Ed. Cotter and Wood led for two laps, with Pierce and Smith following close. On the third lap Pierce passed Wood. Smith quit shortly after the commencement of the fourth lap. The racing was all with these four men. Warden and Lake quit on the first lap. Garnham on the fourth. Evans and Ireland finished the course, but were a long distance back. Result:—Cotter last, time 1 hour 8 minutes 52.4-5 seconds; Pierce 2nd, time 1 hour 10 minutes 8 seconds; Wood, 3rd, time 1 hour 10 minutes 28 seconds.

Cotter won very easily and was much the freshest man that finished. There are very few men in America who can beat this boy at present going any distance over 10 miles. He should be on the Olympic team next summer.

SHRUBB AN EASY WINNER.
Pawtucket, R.I., Dec. 26.—Alfred Shrubbs, the champion English runner, easily defeated Frank Kanalay and Samuel Myers of Boston yesterday in a relay race of five miles at the Sablin street grounds. Kanalay ran the first half of the five miles against Shrubbs and Myers the second half. Shrubbs finished the five miles in 25 minutes and 67 seconds.

BREEN WON STERLING.
Toronto Junction, Dec. 26.—The first Marathon road race held in the Junction was run yesterday afternoon, and in spite of the unfavorable weather conditions very good time was made. The winner was Maurice A. Breen, who represented the Sterling A.A.A., with Frank McCullough of the Waverly Club a close second, and William Thomas of the Sterlings third. Twenty-seven runners started.

The contestants who finished in the following order:—1. Maurice Breen; 2. Frank McCullough; 3. William Thomas; 4. Sandy Begley; 5. J. B. Watkins; 6.

hear at all likely, report to the contrary notwithstanding, that there is going to be any revolt against the Amateur Athletic Union by the Buffalo athletes and athletic interests, because of recent suspensions and rulings of the governors of amateur athletics. Owing to the fact that the 74th Regiment Athletic Association sent to Canada clubs entry blanks for its coming games at the Army, some conclusions were erroneously drawn to the effect that suspended Canadians were to be invited to compete, and some public declarations were made to that effect. There was never any basis for the report. Major Wolf, of the association, however, took pains to deny the declaration, too ridiculous to consider. Said he: "We did send entry blanks to Canada, but that sort of thing has been going on for years. Someone got the wrong impression. You know, of course, that athletes in good standing are welcome, but the suspended boys are dead issues, so far as we are concerned. Only A. A. U. men can get into our games. That's final."

TEMACEO WON.

New Orleans, Dec. 26.—The Christmas Handicap, which was the feature of the racing yesterday, produced one of the most stirring finishes of the present racing season. Temaceo flashed past the judges a nose in front of Sally Preston, one of the outsiders in the betting and pacesetter all the way around. An even closer parade to the post, with Temaceo and Yankee Girl dividing honors with Tiling as favorites. Tiling and Yankee Girl were both heavily played at 7 to 2, as the talent figured that the race was between them. When the field reached the head of the stretch, Temaceo and Yankee Girl were in the lead, and Jockey Notter was hard at work on him. At the paddock he was third, and quickly wore down the lead of Sally Preston, and by brilliant riding on the part of Notter he managed to get up in time to win by a nose. The largest crowd of the season was in attendance. Jockey Notter rode four winners and one second.

OAKLAND STATISTICS.
At Oakland R. F. Carman heads the winning owners with a total of \$6,120. H. E. Rowell comes next with \$5,735; then follow S. C. Hildreth with \$5,665, L. Z. DeCarum with \$4,850, Sierra Nevada Stable with \$4,520 and the Keene Brothers with \$4,015. Walter Miller stands in a class by himself in the contest for riding honors with 42 winners, 19 seconds and 19 thirds, having been unplaced 45 times. Guy Burns, who is making rapid strides, is second with 23 firsts, 15 seconds and 14 thirds. E. Lynch, who may ride in the east next year for the stable, trained by Frank D. Weir, is third, with 19 firsts, 18 seconds and 11 thirds. E. Dugan, who has been under suspension, is far down in the list with only 6 winners, followed by Buxton with only 5, Heatherton, a promising 90 pounder, has been attracting much attention and is believed to be a coming star.

JOCKEYS MIXED IT UP.
Jockeys Notter and Skirven mixed in the running of the fifth race at New Orleans Tuesday and had something of a fight. Notter was fined \$50 for striking Skirven with his whip during the running of the race, and Skirven was given \$10 fine for striking Notter after the finish. The trouble came over crowding at the start. Jockey T. Carter is on the ground suffering from a six days' suspension, given for misbehavior at the post in the first race, when he rode Florence.

SADDLE AND SULKY.
After Judge Nelson won the mile and a sixteenth race in a canter at San Francisco he was bid up to \$2,500. He was retained by Owner H. G. Bedwell, who bought him from the Kirkfield stable for less than half that amount, and has won a score of races with the good Basnet-law three-year-old.

The poor race of Marbles at New Orleans last Saturday, when she failed to finish among the placed horses in an ordinary lot, is explained by the announcer that she has been ailing ever since and at times her fever has reached 105. Veterinarian Keough, who has been looking after her, is of the opinion she will pull through, but unfit for racing purposes for some time.

The money stringency is still apparent at New Orleans, and many of the layers who have booked big losses are expressing worry about replenishing their working capital. Their money is still in banks and they find it difficult to draw on it at short notice. Unless there is a noticeable change in their favor within the next few days some of the most prominent will have to take a forced vacation.

London, Dec. 26.—Joe Rogers, of New York, the "American Apollo," and Geo. Hackenschmidt, the "Russian Lion," yesterday signed articles to wrestle catch-as-catch-can style for the championship title of the world and a side bet of \$250, the match to take place between January 13 and January 31. They will divide the best purse offered, two-thirds to the winner, balance to the loser. The conditions are three pin falls, ten minutes allowed between each round. Tom O'Rourke, who brought Rogers here from the United States three months ago expressly to wrestle Hackenschmidt, signed the articles as Rogers' manager and deposited his share of the bet. Just where the match will take place has not yet been decided.

There were two preliminary games. The first Bays' Club team defeated the Boys' Club's second team by a score of 45 to 14, and the Independents were downed by the Y. M. C. A. seconds by a score of 42 to 11. The teams were as follows:
First game: Boys' Club I. Magget, Marshall, Kaufman, Warren, Wilson, Swanwick, Findlay, Taylor.
Second game: Y. M. C. A. II. Atwell, Johnston, Marshall, Kaufman, Findlay, Tassey, Burton.
A big crowd attended the basketball feast in the gymnasium of the Y. M. C. A. last evening. Three games were played, but of course the interest was centered in the battle between the Rochester team and the Canadian champions. The struggle was close and exciting from start to finish, and the Hamiltons won in the last three minutes of play. Three minutes before the final whistle blew the Yankees had a lead of two points, the score being 33 to 31 in their favor, but Manager Long's bunch by magnificent team work pulled out of the hole and scored three baskets in quick succession. The final score was 37 to 33 in favor of the home team. The spectators went wild toward the finish, cheering the Hamiltons vociferously.
At half time the score was 17 to 15 in favor of the visitors. The game was a fast one, but not rough, and was replete with brilliant plays. A. J. Taylor handled the game all by himself, being referee and umpire combined, Bobby Kerr was timer and Jack Foley was scorer. The teams and the scores made by the various players were:

From the London Advertiser:
In the "good old days" many a trick was pulled off in this town at the hockey game, and inasmuch as those days are past and the majority of those who were parties to the tricks are out of the game, no harm can be done recalling a few of the big stunts.
Perhaps the biggest rick turned was the one at Stratford, about six or seven years ago, when Frank Winn, a Montreal crack, was rung in under the name of a punk player from Delaware. The tip was handed out all over London and wads of money, large enough to choke a cow, were laid down on the locals' chance. London was then playing in the Intermediate O. H. A., and Stratford was just a little stronger than London without Winn.
Everything went without a hitch until Winn got to performing. Then the stuff was off. A Stratford player named Benjamin recognized Winn and at once informed the other players on the team of the fact. Stratford finished the game, but in a half-hearted manner.
The game, of course, was protested, and the London players were professionalized. Among those professionalized were: Frank Hobbs, Percy Ashplant, Walter Little, Ernie Westcott and Ernie Lang.
These but one player, Walter Little, was reinstated.
Ashplant is now a doctor in the States, Hobbs is travelling out of Toronto, Little is the Winnipeg representative of Robinson, Little & Co.; Westcott two years ago played professional hockey in the big league. He is a barbaree racing man. An effort was made last year to reinstate Lang, but the effort was futile. His whereabouts are unknown.
The funny part of the betting proposition, though, was that those who wagered on London's chance in winning the game, lost, while those who bet that the locals' score would be larger than that of Stratford won out.
Another story involves a joke on a well known clubman of this city. London was playing Ingersoll, and a man had been imported for the occasion. The clubman in question had been given \$50 by a friend to wager on London.
The clubman did not know of the importation, and decided that the locals were not worth a bet, and kept the \$50 in his pocket.
London won out by a small margin, but the trick was discovered and a protest entered.
Perhaps the funniest one, though, was the time a player—we'll call him Jones—was imported and reputed to be employed at a Dundas street clothing store. This player was in reality receiving \$100 a month from the local management. Jones used to stand at the door or at the front window of the clothing store every day for a half hour or so, not even removing his overcoat. Then he would pike over to the rink for practice.
The O. H. A. people were suspicious of the man, but could prove nothing, and he stuck.
One day Jones met J. Ross Robertson, head of the O. H. A., in a Toronto hotel. The recognition was mutual.
"Hello! Who are you?" asked Mr. Robertson.
"Me?" replied Jones. "Oh, I'm Jones, of the London team."
"So you're Jones of London, eh? Well, I can't say that I am overly pleased to have met the cause of labor."
Jones laughed, and lit up a cigarette.

Some "Clever" Tricks Worked by Cockneys.

Ben Falk and the Soldier.
The gossip of the Oakland ring holds a story of the experience of Bookmaker Benny Falk, which is interesting. Two weeks ago a soldier from the Presidio offered him a \$20 gold piece on Lone Wolf at 4 to 1. The bettor won his \$80 all right, and won two other bets that afternoon. Next day the soldier beat five straight races, and the day following he made four out of five winning bets. For two days further he pressed his lucky winning with singular fortune. Here is where the funny thing of the affair comes in. The man of war did not entrust his speculation to any other bookmaker than Falk. Why? Falk has red hair, and the soldier was one of those peculiar "bugs" you'll encounter on a race track with a penchant for "grey horses" or red-headed bookmakers. Something was in the bunch, all right, for in the latter days of the soldier's success he was handing up \$500 plays to the layer of Auburn locks. Falk just kept taking the money and paying back, confident in the knowledge that the bunch field would soon come to his own. This Mr. Soldier finally did, for his last kick was an \$8 split across the boards to a choice in the Pacific-Union Handicap, which didn't win. At one time he had \$5,200 of Falk's money.
The fact that the American and Russian had finally been matched is taken here as quite the biggest bit of sporting news in many years. England is "wrestling mad" at this moment, and this battle of athletes will certainly attract great attention, and will be witnessed by a crowd that will tax the capacity of any hall or theatre in which it may take place.
A meeting of the members of the Hamilton Whist and Chess Club will be held in their club room in the Federal Life building on Friday evening, for the purpose of nominating nine directors for the year 1908.
There is every indication of a large attendance at the New Year Whist Tournament to be held in the Waldorf Hotel. All lovers of whist are invited to be present and take part in the games. The prizes to be presented to the winners this year are particularly attractive. The following is the programme:
Tuesday, Dec. 31st, 8.30 p. m.: Open Compass Game.
Wednesday, Jan. 1st—10.00 a. m.: Open Compass Game, 3.00 p. m.: Open Compass Game and Open Four Match, 8.00 p. m.: Open Compass Game and Final Pairs Match.

His Shoulder Dislocated 41 Times.
"It's out again, Doc," was the complaint of William Hanagan to Dr. Mayer of the dispensary staff the other day. The man's shoulder was dislocated and the physician placed him under the influence of an anaesthetic and twisted the injured member back in place. It was the forty-first time that Hanagan had his shoulder "set." Last Tuesday he entered the dispensary. It was the fortieth time the accident had happened to him and he told the physician it was an "even forty."
"I have set Hanagan's shoulder twelve or fifteen times," Dr. Mayer said. "Every few days he comes into the dispensary, and the same work is done each time. Because of his work as a cabinet worker the injured arm must be left free to move. To-day Hanagan apparently was all right when he reached behind him for a tool. The motion caused the shoulder to slip out of place, and as usual the man stopped his work and came here. He keeps count, and he has just had the injury repaired forty-one times!"—Indianapolis Times.
