(Sig) W. ALDER TRUEMAN, (Sig) W. ALDER TRUEMAN, Judge of Probate, County of Albert (Sig) S. G. Morse, Registrar Probate ounty of Albert.

To the Electors of the County of Albert.

The fact of the election court proce ings against my return as one of your re presentative in the Provincial Legi s well known to you all. The str of the election law is such that some supporter has technically its provisions and unwittingly brought himself within its scope. I have, there-fore, for this and another reason, felt it to be my duty to vacate the seat to which you recently elected me by so handsome a majority. The other reason for my resignation is, that the Provincial Legislature has been summoned to meet on March the seventh, and masmuch as the date of the election trial is only a few days before that, the effect of the scat being declared recent these recent being declared recent these recent being declared recent these recent declared recent the seat to which the seat to whi being declared vacant then would be to deprive the County of Albert of one of representatives during a portion of

I am not conscious of having dou anything to forfeit that confidence, and all I ask is a fair trial and opportunity to move in the legislation which I have pledged myself to promote.

In addition to those pledges, I shall

strive to secure the necessary legislation to enable the 'County of Albert to redeem certain of its six-per cent Railway Bonds and replace them by others at four per cent, thus saving to this county large sums annually.
