Informal Dance
An informal dance is being advertised to be held in the Town Hall, here, this coming Friday night, the proceeds from which will go to the band of the 132nd battalion. Good music, supper and an enjoyable time is promised. The dance given by the young ladies of Nelson last Friday night for the same purpose was very successful, and an enjoyable time was had by all.

Smith-McDonald
The marriage of Albert Smith of Lower Newcastle, and Miss Margaret McDonald of Hartibogue, was solemnized at Hartibogue on the 8th inst., by Rev. Fr. Hawkins. The bride, who wore a becoming suit of navy blue with black picture hat, was attended by Miss Jessie McDonald of Chatham. Ronald McDonald, brother of the bride, was groomsmen. Mr. and Mrs. Smith will reside at Lower Newcastle.

Successful Prize-Winner
The R. M. Faudel & Co. big voting contest, in connection with their big sale on Saturday last, the prize for which was \$5.00 in cash for the best name for their store, proved a most gratifying success to this firm. Their big sale was well advertised, and the results were very pleasing. From the large number of names submitted, the one considered most appropriate for their business was "The Golden Bargain Store," submitted by Miss Margaret McGrath, who is the lucky winner of the \$5.00. In keeping with their store's new name, Messrs. Faudel & Co. intend, from time to time, to offer special golden bargains to their growing list of patrons. Watch the columns of The Advocate for further announcements.

Loggieville Thankoffering Service
The annual thank-offering service in connection with the Women's Missionary Society of Knox Church, Loggieville, was held on Wednesday evening, instead of the regular prayer meeting service. The meeting was favored with the presence of Dr. Kate McMillan, medical missionary in Korea, who is at present making a tour of the country roundabout, giving addresses to the Missionary Societies in the Miramichi Presbytery. Dr. McMillan gave a comprehensive and impressive account of the work carried on in that foreign field. Her descriptive sketches of the Korean ways were very interesting. Her earnest appeal for more helpers in the work was touching. Dr. McMillan is a foreign missionary of 15 years' experience. She has been twice to this country on her own account. Her address throughout was a most interesting one. The choir rendered music suitable to the occasion. Mrs. Fred Fowle of Black River, sang a solo. The offering amounted to about \$41.00.

Received Appointment
Mr. D. T. Johnstone of Chatham has been appointed Secretary-Treasurer to the Pilotage Commissioners, in place of Mr. Byron N. Call, who resigned on account of ill-health.

Board of Health May Close Uninhabitable Houses
Among the Acts passed at this year's session of the N. B. Legislature was one empowering Boards of Health to close up uninhabitable houses—a very good law if properly enforced.

Robt. McArthur, Frank Burke, John McGrath, and W. M. Buckley, Chatham; W. R. McDonald and E. S. McDonald, Little Branch; Val. DeRoche, Legateville; and Alex. McKay, Millerton.

Fined \$50 and Costs
Edward Chamberlain, a young man of Neipsiquit Junction, was arrested by I. C. R. Detective Harry Culligan on Thursday last and taken before Magistrate O'Brien at Bathurst, charged with throwing stones at a train. He was found guilty and fined \$50 and costs. Special credit is due Detective Culligan for his quick work in fastening the guilt on his prisoner.

Mrs. Geo. N. Clarke
Mrs. Geo. N. Clarke of Rexton, who lived here several years ago, while her husband was head of the firm of Clarke and Lunsbury, and who made very many close and permanent friends, died yesterday in Moncton Hospital, where she underwent a serious operation the day before. Mrs. Clarke leaves her husband and two daughters—Mrs. Charles Fillmore and Miss Nellie, both of Vancouver, B. C.

No Appointments Made
In consequence of mis-statements having been made in some of the outside dailies re appointments in connection with the medical and surgical staff of the Miramichi Hospital, The Advocate has been requested to make the following statement, from the Secretary: "So far no appointment in connection with the medical and surgical staff has been made, and any statements to the contrary are entirely without foundation, as no action has been taken in that respect by the Board."

Next Sunday is Mothers' Day
Sunday next, May 14th is Mothers' Day. The observance of the second Sunday in May as Mothers' Day is yearly becoming more general and the day will doubtless soon be recognized throughout the whole Christian world. The movement, which had its origin in the United States a few years ago, has become popular in all the Western countries in the world. In Canada the practice of observing Mothers' Day is rapidly becoming more general and services appropriate to the occasion are now held in nearly every city and town. In addition to the services, it is the custom to wear carnations, on Mothers' Day—a pink one if your mother is living and a white one if your loved one has departed this life.

The "Ocean Limited"

Canadian Government Railways Popular Train Halifax and Montreal, May 15th

From its initial run the "Ocean" won popular favour, has retained its friends and is always making more. It will be welcome news to thousands of travellers that the "Ocean" is to be restored to its regular run on its regular schedule May 14th, from Montreal at 7.25 p. m. and daily except Saturday thereafter, arriving at Halifax 10.45 p. m. the following day; May 15th, from Halifax at 8.00 a. m. and daily except Sunday thereafter.

The time table is so arranged as to permit day-light views of some of the most picturesque parts of Canada—the Wentworth Valley, La Bale de Chaleur, the Matapedia Valley. And when you travel on the Ocean you, on, banners, aldermen, and large merchants, £2; knights and mayors of small towns £1 down to 3s. 4d. Thus the fourteenth century Englishman had evolved a system by which the rich man paid in some instances as much as 40 or 50 times more than his poorer neighbor. But the later poll tax that led to the Great Revolt was, as we know, not happy in the results. It shed the principle of graduation, and "the number of people who got off with a payment of 4d or 6d, was comparatively few.

CONSCRIPTION OF WEALTH

London Chronicle.—Conscription of wealth for the needs of war is no novelty in England. The advisers of Richard II for a time financed their adventures in France by the aid of a poll tax, ingeniously devised—in
