"San Toy."

The fifth performance of San Toy at the Casino Theatre last night scored another signal success, and interest in this delightful Chinese Musical Comedy by Sydney Jones shows no sign of flagging, last night's audience being markedly enthusiastic in its applause. The various parts were excellently sustained, notwithstanding the strain and fatigue of five sucessive presentations, and several encores were responded to. The incomparable Li (Mr. H. Foster) was again in his element, and ably seconded by Dudley (Miss Ida Howlett) aptivated all auditors. Mr. J. M.
