HALIFAX ROAD RACE.
MacAulay The Winner—O'Toole Finished Third After Wonderful Race.

Great excitement prevailed in the city on Saturday afternoon as to the result of The Halifax Herald and The Evening Mail Modified Marathon Race, which took place in Halifax at 2 o'clock, and in which Ronald O'Toole, Newfoundland's representative, was a competitor. The first news received was a private message from Messrs. Moirs Ltd., about 3.45 to Mr. F. V. Chesman, in which it stated that MacAulay was in the lead passing Fairview, six miles out. O'Toole second and McLellan third. To those who had the pleasure of hearing this first hand information, the news quickly spread, and the consensus of opinion was that O'Toole was making a plucky fight for the honors. At the Western Union Telegraph Office a large crowd had gathered to await the final result, and at 4 o'clock a bulletin board was put up announcing that MacAulay was first, McLellan second and O'Toole, third. About fifteen minutes later a message came through the Anglo to Mr. S. P. Cullen, which read as follows:—"MacAulay wins race, time 57.08 3-5; McLellan second, 59.18 1-5; O'Toole, third, 60.18 1-5. O'Toole feeling fine. I consider he did wonderful judging from men he ran against. MacAulay states after race that O'Toole is the coming man."

(Sgd.) F. RICE.

When the times of the race had been made known, there was general disappointment that O'Toole had not done the race quicker. Later a message was received from Manager Bell to Mr. J. M. Tobin, giving the official times, and stated that the course was a quarter of a mile longer than last year. However, this helps to explain a little for the slow time made, and nothing will be known until the full particulars of the race have been received. The weather conditions were probably none too good.

Bell Sends Message.
Yesterday morning Mr. S. P. Cullen

received a night message from Mr. J. Bell, manager of Ron O'Toole, which reads as follows:—"O'Toole got third place. He ran a great race all through. The course was a quarter of a mile longer than last year. MacAulay was in great form, also McLellan. I think O'Toole made a great show with such a fast field of starters. Many thanks for messages received from everybody."

A public press despatch from Halifax states as follows:—"R. O'Toole, of the Newfoundland Athletic Club, running a strong race, finished third in the ten mile road race for the championship of the Maritime Provinces, conducted here this afternoon, by The Halifax Herald. Victor MacAulay, of Windsor, N.S., came first and Silas McLellan, of Noel, N.S., was second. There were forty-eight competitors."

Judging from the latter message O'Toole must have certainly put up a gallant fight to try and beat the much touted MacAulay. The message received by Mr. Chesman in its early stages stated that O'Toole was running second passing Fairview over half the course. How much further he remained in that position is not known, but the trend of the message would lead one to believe that he was chasing MacAulay, the champion, hard, and none other than our local champion, O'Toole, caused MacAulay any worry. Further particulars of the race are eagerly awaited.

Hearty congratulations are due O'Toole for the excellent showing he made, whilst a similar mood of praise is also due Manager Jack Bell, for his great care and attention, whilst training his charge.

Besides a cup for the winner, three gold medals are also awarded to the first three runners. O'Toole has earned for himself a well earned distinction, and in view of the fact that it was his first race over such a rough course, with lots of hill climbing mixed between, his showing can be considered very creditable. Our representative defeated a fast field of runners, many of whom were hard at training for the greater part of the summer.

To those who hold tickets in the sweetstake, conducted by the N.A.A.A. with the following names and their official times, are entitled to prizes:—

INTER COLLEGIATE FOOTBALL.

Collegians The Victors.

By defeating the Felidians 1 goal to 0, on Saturday afternoon, the Collegians put themselves in the reach of this year's championship of the Inter Collegiate series. The game was hard fought from beginning to end, and it was only a couple of minutes before full time that the winning goal was scored. This game completes the second round of the fixtures, and the table of points now stands: Collegians, 6; St. Bon's, 4; Felidians, 2; so that the next round should be an exciting one. The first game in this takes place this afternoon, the contesting teams being the Felidians and St. Bon's, and a lively game is anticipated.

Motor Cars in Collision

Yesterday about 4.30 p.m. two Ford motor cars came in collision on LeMarchant Road as a result of one in front not giving a warning signal. Both cars were proceeding east along the thoroughfare, the front car stopped before the driver of the rear car had time to apply his brakes with the result that his machine played "high backs" with the one in front. Fortunately no one was hurt and very little damage was done.

The Passing of a Centenarian

There passed away yesterday, at the residence of his son, 295 Hamilton Avenue, William Owen, a native of Trinity. The deceased, who had just reached his one hundred milestone, came to St. John's about 80 years ago. Always full of energy, he was blessed with remarkable health. It was only about a week ago that he was taken ill, and up to that time, despite his great age, he was remarkably active. He is survived by 4 daughters, and 1 son, John. Another son made the supreme sacrifice during the war, when his vessel was torpedoed in the Mediterranean. His wife died many years ago. The funeral takes place to-morrow afternoon.

Body of Missing Watchman Found Yesterday

Yesterday morning a man named Mercer, of Mundy's Pond, whilst passing through the woods at the head of the pond and near McDougald's Grove came upon the body of the watchman, Philip Woodford, who disappeared from the Poor Asylum, where he was employed, on Thursday, the 15th instant, at 3 p.m. The body was in a kneeling position and in the right hand was a razor, around the handle of which was wrapped a handkerchief. The unfortunate man had cut his throat from ear to ear. Mr. J. C. Pundister, who lives not far distant from the scene, on being informed telephoned the police station. Sergeant Long and Constable Pittman were immediately despatched to the scene, and brought the body to the Morgue, where Mr. A. W. Miller, of the Poor Asylum, identified it as being that of Philip Woodford, a native of Harbor Ma'n. A post mortem examination was held on the body by Dr. Anderson, who pronounced death due to the wounds received. The body was then taken in charge by Undertaker Martin and brought to his Mortuary rooms, where it was prepared for burial.

Woodford was about fifty-six years old and leaves a wife and four children. He had been employed as watchman at the Poor Asylum for the past nine years and was highly respected by those who knew him.

Seaman Drowned Near Dry Dock Wharf

BODY RECOVERED AT NOON YESTERDAY.

On Saturday forenoon the police were informed that a man named Kenneth Dyke, who had signed articles to sail on the steamer Home, on the day previous, had failed to return to the ship before her sailing and that no trace of him could be found. The police, after taking up the matter first learned that the man had left his home, 41 LeMarchant Road, 7 o'clock Friday evening to proceed to the ship, with a bundle of clothes. Later it was learned that he had proceeded safely on board and had returned ashore again and that he was last seen about 10 o'clock, by some laborers, who were working on the dock wharf. The police continued the search until late Saturday night without any further information, and the only conclusion that they could come to was that he had fallen overboard. Yesterday morning the search was continued when Detective Lee, in company with two constables, and with the assistance of several citizens, began dragging operations. The search party were out in boats all the morning, and at noon the body of the missing man was brought to the surface, near the mouth of the Basin, by Mr. Hugh Walsh, of Cuddihy St. The body was then taken in charge by Detective Lee, wrapped in canvas and removed to the Morgue for post mortem examination. Meanwhile arrangements were made for a clergyman to break the sad news to the deceased's family. Dr. Anderson later visited the Morgue and pronounced death due to drowning. No marks were found on the body. Undertaker Carnell then took charge of the body. The deceased was 34 years of age, and formerly lived at Greenspond. His death, under such sad circumstances, comes as a severe blow to his wife and relatives, for whom much sympathy will be felt. How the deceased man met his death is unknown. It is quite possible that he was proceeding to his ship up the narrow part of the wharf and, tripping over one of the gumheads in the dark, he was precipitated into the water without anybody seeing him or even hearing an outcry.
