EQUITABLE
Life Assurance Society,
No. 120, Broadway, New York.
Wm. C. Alexander, President.
Henry B. Hyde, Vice-President.
Net cash assets, 1st Feb. 1872 \$18,000,000
Annual Income \$9,000,000
Total paid policies \$2,450,000
Surplus, 1871 1,700,000
New Business, sum assured 1871, \$41,804,027.
The Largest of any Company in the World.
This Society has led the van in the Insurance world for many years; it has introduced more improvements and given greater impetus to the business than any Life Company in the United States, and is deserving in this respect of the praise and gratitude of the community.
There are many reasons for selecting the Equitable Life Assurance Society.
1st—No company has such large annual transactions, thereby insuring into its business a constant accession of fresh and selected lives, which is one of the greatest elements of strength.
2nd—Liberalty in dealing with all claims: observing at the same time, a due regard to the interests of its present large body of policy-holders by a firm resistance to any attempt at imposition.
3rd—Perfect organization in every department, which renders official information easily attainable and secures a complete administration of its affairs.
4th—Being one of the most progressive institutions of its kind in the world, it is ever prepared to seize at once upon all the improvements in the business that science can suggest.
The Equitable Life Assurance Society issues every recognized form of policy, and especially the **FRONTIER SAVINGS FUND INSURANCE** which the Company introduced. This new plan has become very popular, and is advantageous to all who are insured, as it is a plan which secures a profit for the insured, without any respect infringing upon the normal results for which Life Insurance was first instituted.
The **EQUITABLE** feels that it has the strongest claims upon public confidence. Under the management that distinguishes it, and the principles by which it is guided, perfect security is given for the future, than which no greater inducement can be held out to all who wish to insure their lives.
Further information regarding the different kinds of Policies issued by the Society can readily be obtained at
THE COMPANY'S OFFICES,
120 Broadway, New York,
and at its representatives throughout the United States and Canada.
