ONE ALL IN THE BIG INTERNATIONAL GAME

The Teams Played Evenly and Scotch and English Score One Goal Each in the Struggle.

The international football match at Mewata park last evening between English and Scotch players resulted in a draw, each team scoring once. In years past the Scotchmen have always been easy winners.

A draw fittingly represented the merits of the two teams. Indeed on the run of play neither team deserved to win, and it would have been rather hard lines on the losers. While the boys from the Hebrides were better forward, the Englishmen played a grand defensive game, Oxley and Howard getting through a lot of our best back. The game was a long while.

The close score made things very lively, for the large crowd of English and Scotch followers. Naturally these supporters claimed their team was the best, but a draw was a fitting result to a hard game.

A Scotchman is always a good football player, and hence the Scots were expected to win. Even in the Old Country inter-club matches the English team have the best record over England. Out of twenty-eight international games played between the "Thistle" and "Tiger," Scotland has won the majority.

Had the English team as good a forward line as the other side it would have been easily won. In the English team played up to international standard. Allan and Wakely of the Hillhurst club on the right wing did all the work. Williams in the center was fair, but the left wing in Toole and Boothman was very weak. Toole is usually a good player, but he was decidedly off last evening.

Dodd's Kidney Pills Cured Dan. McGee's Backache

He used the old Reliable Kidney Remedy and found a speedy and complete cure for his trouble.

James River, Antigonish Co., N. S., April 23 (Special)—It has again been proven in the case of Mr. Dan McGee, a well known farmer living near here, that backache is only a symptom of Kidney trouble, and that Dodd's Kidney Pills cure it quickly and completely.

"I suffered from Backache for two months," writes Mr. McGee. "It started from a strain and grew steadily worse. I also had occasional attacks of Lumbago. I was always tired and at times my eyes were puffed and swollen. In the mornings I had a bitter taste in my mouth.

"Then I decided to try Dodd's Kidney Pills, and the result is that today I am a well man. I advise all persons suffering from Backache or Lumbago to use Dodd's Kidney Pills."

Mr. McGee caught his Kidney Disease in its early stages, and Dodd's Kidney Pills cured it almost at once. Neglected Kidney Disease develops into Rheumatism, Dropsy, Bright's Disease or Heart Disease. Dodd's Kidney Pills will cure any and all of these.

DEACON WHITE HERE ON MONDAY NIGHT

Equino Chief and All His Bears Will Be Eaten by C. Crisp and Friends.

Last evening Manager Chandler of the Semi-Pro. was in communication with Deacon White over the telephone, and made arrangements for the Deacon's star league team to play in Calgary on Monday evening. The Deacon's team is en route to Lethbridge where they open the season with the Miners on Wednesday. Deacon thought it would be a good workout for his bunch and hence he made the arrangements.

The game will be pulled off at the park at 6:30, and no doubt a large crowd will be on hand. Deacon is bringing along Mills, Olsen, Baxter, Morse, Lush, Brennan, Whildar, Groff, McClellan, McCutcheon, Grady and Barnstead.

The Semi-Pro. will have out about their same line-up, and they expect to show the Deacon a few things in playing ball.
