TWO WOMEN TESTIFY

What Lydia E. Pinkham's Vegetable Compound Did For Their Health—Their own Statements Follow.

Haliburton, P.E.I.:—"I had a doctor examine me and he said I had falling of the womb, so I have been taking Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. All the bearing-down pains have vanished. I have gained ten pounds in weight, the discharge is all gone, and I feel better than I have for a long time. I think any woman is foolish to suffer as I did for the sake of a few dollars."

"You can use my letter as a testimonial. It may encourage other poor women who suffer as I did to use your Vegetable Compound."—Mrs. GEO. COLLICUTT, Haliburton, Lot 7, P.E.I.

Read What This Woman Says: New Moorefield, Ohio.—"I take great pleasure in thanking you for what your Vegetable Compound has done for me. I had bearing down pains, was dizzy and weak, had pains in lower back and could not be upon my feet long enough to get a meal. As long as I laid on my back I would feel better, but when I would get up those bearing down pains would come back, and the doctor said I had female trouble. Lydia E. Pinkham's Vegetable Compound was the only medicine that helped me and I have been growing stronger ever since I commenced to take it. I hope it will help other suffering women as it has me. You can use this letter."—Mrs. CASSIE LLOYD, New Moorefield, Clark Co., Ohio.

LAKE TRAGEDY CHECKS TO BE PAID MONTHLY

Descendants of the Drowned Sailors To Be Direct Beneficiaries.

[Special to The Advertiser.]
Toronto, Feb. 16.—Mark H. Irish, representative of the Ontario Government on the committee administering the "Lake Disaster Fund," stated to The Advertiser tonight that the details of the plan of distribution were practically completed and would be announced in a couple of days.

"There will be no lump sum payments," said Mr. Irish. "The method is to distribute the money over a period of five years in proportion that the wages of each deceased person for that period bears to the amount of the fund."

A compilation has been made of what would be the total earnings of those who lost their lives in the great storm of November, for the next five years, and this has been divided into the total amount of the fund. The money will be distributed by the Toronto General Trust Corporation in monthly checks.

The figures are not quite ready at present, but it is understood that the amount of the checks will range from \$10 to \$70 per month. The dependents of the deceased sailors are to be direct beneficiaries. If a wife survives the dependents the check will go to the wife and if she does not survive the five years it will go towards educating the children. If father and mother or brother and sister are the dependents the check will go to the woman in every case. The committee is taking every precaution to see that there is no overlapping on the one hand and that every case is equitably and fairly treated on the other.
