Rev. T. P. Drumm, the new pastor of  
St. Andrew's Presbyterian Church was  
ordained and inducted last evening at  
7.30 o'clock, in the presence of a very  
large congregation.

The ceremony was under the direc-  
tion of the Presbytery of Miramichi.  
Rev. C. A. Hardy, Moderator presiding.  
Rev. Mr. McCallum of New Rich-  
mond presided an eloquent sermon.

Rev. Mr. Kline of Dalhousie delivered

While Rev. Mr. Barker of Esquimaux  
addressed the congregation.

Rev. Mr. McLeod, Clerk of the Pres-  
bytery, was also present and partici-  
pated in the services.

At the conclusion of the services the  
large congregation went forward and  
personally greeted the new pastor, who  
takes immediate charge of the congre-  
gation. The choir under the leader-  
ship of Prof. Stinson rendered an  
appropriate program.

## SIGNALS OF DISTRESS

Campbellton People Should Know  
How to Read and Heed Them.  
Sick kidneys give many signals of  
distress.

The secretions are dark, contain a  
sediment.  
Passages are frequent, scanty, pain-  
ful.  
Backache is constant day and night.  
Headache and dizzy spells are fre-  
quent.

The weakened kidneys need quick  
help.  
Don't delay! Use a special kidney  
remedy.

Booth's Kidney Pills cure sick kid-  
neys, backache and urinary troubles.  
Monotonous evidence proves this state-  
ment.

Mrs. M. Ayres of 121 Foundry Street,  
Moncton, N. B., says:  
"Symptoms of kidney trouble had  
bothered me for over five years, finally  
developing into Bright's Disease. I  
tried numerous prescriptions and  
remedies, all to no avail. I became  
worse and worse, suffering constantly  
with dropsical swellings in my feet  
and ankles, rendering me unable to  
get on my shoes. This rheumatic  
pain through my body was almost  
unbearable. My back was so sore  
and weak that I could not walk ac-  
ross the floor, without the support of  
a chair. Headache and dizziness  
kept me in misery all the time. I be-  
came discouraged at finding no relief.  
Booth's Kidney Pills were advertised  
and I began their use. After using  
seven boxes I was cured entirely. I  
have no symptoms of the trouble now  
and gladly recommend Booth's Kidney  
Pills, knowing them to be a  
remedy of great merit."

## HOPETOWN

Mr. Walter Thompson left home a  
few days ago for Dickinson's Landing,  
Ont.

Mr. Cleveland Mauger is in Win-  
nipeg, to test the conditions and  
climate of the prairie province with  
a view to settling there.

Master Wilson St. Croix returned  
home from Belleville, Ont., after hav-  
ing passed a successful examination in  
commerce at the business college there.

Mr. and Mrs. John F. Ross, Misses  
Sarah and Fidelity McFar, went to  
Campbellton a few days ago where  
they will all remain for the summer.

The late King Edward VII spared no  
efforts to reign well. He was success-  
ful as a result of the many prayers of-  
fered by the Christians of the Empire  
on his behalf from his boyhood. Let  
us exercise the same faith in praying  
for our present sovereign and those  
who frame the laws of our beloved  
land.

Empire Day was celebrated here in  
our school by the singing of patriotic  
songs and a talk on the duties of British  
Christian Citizenship by the teach-  
er. The school grounds were decorated  
with flags.

## THE KING'S BIRTHDAY

OTTAWA, May 28.—The birthday of  
King George V., June 3, will be a  
statutory holiday in Canada, although  
in view of His Majesty's proclama-  
tion that he would follow the preced-  
ent of King Edward and keep May 24  
as the empire's general holiday in hon-  
or of the sovereign, there will be no  
general observance of next Friday as  
a holiday. Being a statutory holiday,  
all banks will be closed, thus making  
the third bank holiday within two  
weeks.

The cabinet council yesterday de-  
cided that no proclamation should be  
issued to exempt Friday next from the  
provision of the bills of exchange act,  
which declares that the king's  
birthday shall be a statutory holiday.

Yves, said Lord Shortbrock, I hunted  
big game when I was in Africa. I saw  
yahoos, lions, tigers and elephants, don-  
other know?

Have any luck, we asked?

Yves, great luck, replied the noble  
hunter. Never got sight of a single  
beast larger than a hare, don't know?

Cut His Throat With Sword While Temporarily Insane  
--Little Cause Given For

## INQUEST TO-NIGHT

W. R. Riddell, proprietor of the  
Strathmore Hotel, committed suicide  
at an early hour this morning.  
Last night when he retired he lock-  
ed himself in his room, and it was  
during the early morning that some-  
one passing by heard a groaning from  
his apartment. The door could not  
be forced, and a ladder was secured  
and entrance made by the window.  
When discovered it was found that he  
had cut a deep gash in his throat with  
a sword which hung in his room.  
Medical aid was at once summoned  
but despite all that could be done he  
passed away a short time after being  
found.

## DESTITUTE FAMILY

ARRIVED HERE

Returned from Bangor to  
Bathurst By U S Immig-  
ration Officials

## SENT ON HERE

A determined effort was made by a  
Bathurst official to unload on Camp-  
bellton, what was evidently consid-  
ered there as an undesirable family.

When Mrs. Jane Comeau and six chil-  
dren arrived there Saturday, having  
returned from Bangor, as reported in  
another column, she was met by a com-  
missioner who would not permit her to  
leave the train, and consequently was  
obliged to come here. Upon arrival of  
the local express here Saturday they  
were directed to the police station.

There they were met by Chief  
Crawford who notified and at once  
ordered supper for the family. He with  
Officer Brown then took up a subscrip-  
tion and collected twenty-seven dol-  
lars for the unfortunate woman. The  
children were in a pitiable condition  
after their long journey and through  
the kindness of Mrs. David Comby,  
who lives over the police station, were  
soon made comfortable. The Chief  
gave up his office which was converted  
into a bedroom and the family made  
comfortable over Sunday. They left  
on the local Monday morning, accom-  
panied by I. C. R. Detective Noble for  
Bathurst.

Chaffeur Tries to Cross in  
Front of Street  
Car

## LITTLE DAMAGE

OTTAWA, May 30.—Sir Wilfrid  
Laurier was speeding along Rideau  
Street in his auto, Saturday after-  
noon. His chauffeur tried to cross  
in front of a street car moving in  
the same direction and was too close,  
and the auto hit the fender of the  
car. Strangely enough, the street  
car received the most injuries, and  
the chauffeur had to pull up to assist  
the motorman and conductor to clear  
matters up. The street car was shak-  
ing a little, but there were no serious  
results.

Harker—Your daughter's musical  
education must cost you a lot of money.  
Homer—Yes, but the man who for-  
merly lived next door is paying for it.  
Harker—How's that?

Homer—I had been trying for years  
to purchase his property, but was un-  
able to do so until my daughter had  
been practicing on the piano for a  
month, then I got the property for  
half price.

See here, young man," said the old  
lawyer to the junior member of the  
legal firm, you told me you were go-  
ing out of town on legal business yester-  
day, and I learned this morning that  
you went to call on a young lady.

"Well sir, replied the young man, I  
shall plead 'not guilty' until you can  
convince me that it is illegal to call  
on a young lady.

Yes, mused the thoughtful thinker.  
It's a sure sign.

What's a sure sign, we asked.  
That when a young man begins to  
know that he doesn't know as much  
as he thinks he knows, then he begins  
to know something.
