Mrs. Eastman and little daught Ruth, and Miss Lena McGill, of Lynn, Mass., were guests of relatives and friends during last week.

MINARD'S LINIMENT CO., LIMITED
Gentlemen,—In June, '98, I had my
hand and wrist bitten and badly
mangled by a vicious horse. I suffered greatly for several days and the
tooth cuts refused to heal until your
agent gave me a bottle of MINARD'S
LINIMENT, which I began using. The
effect was magical; in five hours the
pain had ceased and intwo weeks the
wounds had completely healed and my
hand and arm were as well as ever.
Yours truly,
A. E. ROY,
Carriage Maker.

called to Mahone Bay on Friday last Miss Dertha Rosengren is visiting owing to the serious illness of Mrs. Chas. Lohnes, of that place. Work will be begun this week the new roads leading to Hastings. Lee Bent, Horace Stoddart and Ed-

gar Mason, leave this week for the West. We wish the boys success. R. J. Schaffner left last week for SOUTH WILLIAMSTON.

Coun. T. G. Bishop and wife return-Wm. Bishop, Montreal, is the gues ed from their trip to Springfield on Wednesday last. They speak in highest terms of the hospitality of the people in that place. The addition of the splendid Fisheries Building, which has just been completed, and the erection of the Administration Building, which has started, constitute the chief features in the improvements. The new buildings this year and those erected Diamonds for every Canadian home last season are a splendid array of

J. S. Ritcey has a very fine colt which though not quite fourteen months old weighs over nine hundred pounds.

SPRINGFIELD.

Diamonds for every Canadian home are not the gems which the wealthy alone can purchase; they are those invaluable gems known as DIAMOND DYES which have been for twenty-five years true money savers for the dition will be made to the poultry women of Canada.

DIAMOND DYES wherever used, baye proved their superiority over all dation, in addition to that for horses, bulding and the live stock accommodate proved their superiority over all other package dyes in richness, fullness and durability of colors.

Certain speculators, jealous of the popularity of DIAMOND DYES, are putting up adulterated and crude dyes to imitate the DIAMOND DYES, buildings upon it removed. Within These common and cheaply prepared the area will be found could contain the provided and the live stock accommodation, in addition to that for horses, will be greatly increased.

The enclosure within the half mile track has been largely filled in, graded, sown with grass seed and unsight-

venient accommodation for horses and
