"GODDESS"

Corsets that Lace in Front

ANITA STEWART

The creator of the charming screen play, "The Goddess," inspired the name of the "GODDESS CORSETS," of which she writes:

"Your Goddess Corsets are most satisfactory. They give greatest possible comfort and freedom, and without any undue compression add to the grace of the figure."

This is quite a triumph for the GODDESS CORSET, which is made in Canada, where it has jumped into such favor that all up-to-date stores show them.

THERE IS A STYLE FOR EVERY FIGURE.

Made by the Dominion Corset Co., makers also of the celebrated D. & A. and La Diva Corsets.

Safe, Clean Cooking

SAFE, because the oil tank is away from the heat, and because the height of flame cannot vary. Clean, because there are no wicks to smoke or need trimming.

Burners can be regulated to give degree of heat desired, and when not in operation are left completely up out of oil contact. The asbestos lining and dead air space, and glass door of "Success" oven ensure heat retention and visible baking.

An economical cooker and baker, beautiful in appearance.
