ADVICE TO MOTHERS.—Mrs. Winslow's Sore-throat Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by soothing the child from pain, and the little cherub smiles as bright as a button. It is very pleasant to take. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or there causes. Twenty-five cents a bottle.
