## The Warden of the Plains

and Other Stories.

By JOHN MACLEAN, M.A., Ph.D.

Illustrated by

J. E. LAUGHLIN.

Price, \$1.25.

"In these pages Dr. Maclean has gathered a number of stories and sketches illustrating the strange life of our great North-West. The contact between savagery and civilization on the frontier has developed some remarkable social conditions. Oxford University men, fierce desperadoes, zealous missionaries, Indian braves, and adventurous spirits from east and west figure in these pages in strong, dramatic sketches. Dr. Maclean has rendered a distinct service to Canadian literature by photographing in this series of pictures a type of Canadian life which is fast passing away."—W. H. WITHERS, D.D., F.R.S.C.
