What a Young Boy Ought to Know

WHAT EMINENT PEOPLE SAY:

Bishop John H. Vincent, D.D., LL.D.: "You have handled with great delicacy and wisdom an exceedingly difficult subject. Your work has been well done."

Eugene H. Porter, M.D., President of the Homeopathic Medical Society of the State of New York; Professor Materia Medica, New York Homeopathic Medical College, says: "We should especially commend the volume for its reliability in statement, and as a medical man, I highly indorse the medical teachings of the book. It is trustworthy and sound. It is a work which should be in the hands of every young man."

What a Young Husband Ought to Know

Amos R. Wells: "The race would be infinitely stronger in body and soul if all husbands would obtain this book and follow its precepts."

What a Young Woman Ought to Know

Mrs. May Wright Sewall, Principal of the Girl's Classical School; Former President of the International Council of Women: "I am profoundly grateful that a subject of such information to young women should be treated in a manner at once so noble and so delicate that any pure-minded teacher or mother may read or discuss its pages with young girls without the slightest chance of wounding the most delicate sensibilities, or by being misunderstood."
