HERNIA IN CHILDREN

Is usually easy to cure, but the treatment sometimes perplexes the physician. First, the hernia must be completely and continuously retained; second, the child must be made comfortable.

Let us show you how these two important demands are met in

Seeley's Hard-Rubber Trusses

Many think that "Hard" rubber is not suitable for infants. We admit that it don't "sound" right, when we think of a delicate child, but let us send you our argument on that point. It is based upon **35 years' experience** in curing hundreds of children without discomfort with our hard-rubber truss.
