OXYDONOR

WILL cause any disease to be cured by super-animating the whole system. Oxygen is Life's necessity, and Oxydonor causes your body to absorb pure oxygen, eliminating disease naturally, without the use of drugs or electricity.

Oxydonor will cause the cure of **Rheumatism, Asthma, Catarrh, Hay Fever, Bronchitis, Insomnia, Dyspepsia**, and all Nervous Disorders.

It will improve the appetite and strengthen the nerves, giving sound sleep and soothing the overworked brain. It is invaluable for all diseases of men, women and children. Can be used for all the family, and will last a life-time.

Insomnia.—MR. W. C. SHELDON, Morden, Man., writes, March 19, 1901: "In a severe case of Insomnia and Stomach Trouble, Oxydonor cured me in about two weeks."

Rheumatism and Constipation.—MR. C. H. VARCOE, Gentleman's Furnisher, 131 King St. W., Toronto, Ont., writes, Aug. 6, 1901: "Have used Oxydonor No. 2 for some months and must say that in my opinion it is unequalled as a general tonic and system builder, in the process of which it completely knocks out rheumatism and habitual constipation."

Asthma.—MRS. JOHN E. ESTEY, Jackson-town, N.B., writes, Mar. 25, 1901: "Have been troubled several years with Asthma. Have used Oxydonor at times for over a year, and have never had asthma since I began to use it."

General Debility.—REV. J. FREDERICK RENAUD, Sec. and Chaplain St. Andrew's Home (Church of England), 46 Belmont Park, Montreal, writes: "I have personally used Oxydonor No. 2, also members of my family, and can bear testimony to the relief it gave in cases of General Debility, Colds and Lassitude."

Bronchitis, Whooping Cough.—MRS. BENJAMIN BEVERIDGE, Andover, N.B., writes, February 20, 1901: "I have used Oxydonor successfully for Colds and Bronchitis, and I completely cured my little girl, age four years, of a severe attack of Whooping Cough. Have also relieved her of Croup."

Nervous Exhaustion.—MR. J. S. BIRD, East Southampton, N.S., writes, Feb. 20, 1901: "I have used your Oxydonor Victory No. 1, with good results, for Nervous Exhaustion, brought on by La Grippe."
