

THE Ontario College of Oratory, Toronto, announce a Summer Session at Grimsby Park, commencing July 5th, and continuing until August 15th. A very full course of instruction has been arranged and students who take advantage of it will have an opportunity of developing themselves both mentally and physically. The secretary, Mr. A. C. Mounteer, B.E., will gladly furnish further information to all desirous of taking advantage of the course.

THE Ottawa Evening Journal in a recent issue says: "The Canada Business College of Hamilton, Ont., (R. E. Gallagher, Principal), is considered to be the best Business College in the west." This seems to be the general opinion regarding this old established popular school. It claims to have now in business over a thousand graduates who are daily carrying into practice its teaching.

HOSPITABLE.

IF I step in to see Lucille,
And take a cup of tea,
She'll fill a dainty cup and say,
"Now, Jack, have one with me!"

DR. T. A. SLOCUM'S

OXYGENIZED EMULSION OF PURE COD LIVER OIL. If you are Feeble and Emaciated—Use it. For sale by all druggists. 35 cents per bottle.

THE National Business College of Ottawa, for some time past under the management of Mr. C. H. McCargar, has changed hands and will now be known as the Ottawa Business College. Mr. McCargar's failing health compelled him to remove to Denver, Colorado, and he has been succeeded by Mr. John Keith, a gentleman of large and varied experience in the special instruction imparted at this college. The Ottawa Business College will, doubtless, under the new management be as successful as in the past, and make every effort to surpass its high record for efficiency.

THE demand for practical business education is steadily increasing, and in response to this demand we are pleased to learn that Mr. W. H. Shaw, principal and proprietor of the Central Business College, of Stratford, Ont., will organize a counterpart of his excellent institution in our city at an early date. This new college will be ready for the reception of students on Sept. 1st next, and will occupy elegant and commodious premises in the Arcade building, corner of Gerrard and Yonge streets. We welcome all worthy institutions of this kind, as they tend to strengthen our city in her position as the educational centre of our country, and from what we have learned of Mr. Shaw's Stratford College, and of his ability as a thorough teacher, we are sure his Toronto school will meet with much success.

"Perfection" Buttonless Football

This cut shows the design of the Perfection Buttonless Football as it is registered in Great Britain, and represents to the fullest degree perfection in shape, perfection in workmanship, perfection in the material used in its manufacture, and perfection in finish, and having the fewest seams, it is undoubtedly the best wearing ball in the market.

We have been importing these balls direct from Scotland for the past twelve years, till now our trade extends from one end of the Dominion to the other, and although, owing to the advance in leather and rubber in the Old Country, we have been compelled to slightly increase our prices, we are confident that we are giving the best possible value for the money.
