# Mercantile Summary.

In 1887 M. Neilly succeeded to the dry goods business of F. Dowler, in Ontario. His capital at starting was about \$2,000; it is likely less now, for he has been compelled to make an assignment.

To-day the creditors of Herring & McMullen, booksellers at Woodstock, will meet in this city to discuss that firm's financial condition. Messrs. H. & M. began with limited means in a trade which is said to be over-done in that town.

THE Moncton Sugar Refining Company stands to make a good profit, perhaps \$10,000, out of the cargo of raw sugar arriving from Iloilo by the bark "Mary A. Troop." Sugar has advanced very considerably since the cargo was purchased.

THE transfer of Messrs. Hurdman & Co.'s Magnissippi limits to the Eddy Manufacturing Company was made last week. The price paid as stated in the deed of transfer was \$325,000. The general impression among the lumbermen is that the Eddy company have secured one of the best pieces of pine country in the Ottawa Valley.

THE St. John Cotton Company proposes to increase its working capital by the issue of scrip to the extent of \$50,000. This is in lieu of the \$150,000 debentures authorized to be issued at the last annual meeting of the company. The issue will be for a term of one year, the interest not to exceed 6 per cent.

THAT the way of transgressors is hard is shown by the fate of the Nova Scotia schooner "Annie," of Yarmouth, which was detected in smuggling liquors from the Island of St. Pierre a year ago. She has fought shy of Canadian ports ever since, and presumed the offence had been forgotten, but alas! Customs detectives have long memories, and on the Annie entering Yarmouth last week she was seized.
