

For Business Men

Does it occur to you sometimes that you would like a rest?

Don't you occasionally have the feeling that your long years of active business life entitle you to retire and let younger men do the hard work?

You think so, but there is the question of ways and means.

You have, say, \$10,000, but that invested safely would earn only about \$450—not enough to live on.

Why not buy a Canada Life Annuity? At age 64 the Company will guarantee you in exchange for \$10,000 a yearly income of \$1,059, payable every year of your life. That is better than 10½%. Absolutely sure, too. It is worth considering.

A handsome booklet giving full explanation sent on request.

Canada Life Assurance Company

Mr. D. MacLaren,
of Barrie, writes:

"Being a firm believer in Life Assurance, I carry policies in the three leading Canadian Companies and one in an American Company, but I have always received larger profits from the

Sun Life Assurance Company of Canada than from any other Company.

You will say the same thing if you assure with this "Prosperous and Progressive" Company. Write for literature.
