GOVERNMENT SECURITY FURNISHED BY THE AETNA LIFE INSURANCE CO.

This Company having transacted business in Canada
so acceptably for twenty-seven years past as to have,
to-day, the largest Canada income of any Life Com
pany save one (and a larger proportional income than
even that one).

NOW ANNOUNCES

that it will deposit, in the hands of the Government of
Canada, at Ottawa, the whole RESERVE, or RE-INSUR
ANCE FUND, from year to year, upon each Policy
issued in Canada after the 31st March, 1878. Every
such Policy will then be as secure as if issued by the
Government of Canada itself, so far as the safety of
the funds is concerned.

The importance of having even a strong Company,
like the AETNA LIFE, backed by Government Deposits,
will be appreciated when attention is directed to the
millions of money lost, even in our own Canada,
through the mismanagement of Directors and others
during a very few years past.
