The Catholic population of the West of Scotland has lately been largely augmented by the immigration of numbers of natives of Poland. They mostly affect iron and mining centres such as Kilbernie, Burband, Uddington, &c. In the last named place they have lately become so numerous that special religious services by a Polish priest have been held. Father Beyaart,

the respected pastor of Uddington, has given the use of his church for these services, and has, in every way, sought to stimulate the religious fervor of these poor exiles.

Mademoiselle Meline, the daughter of the President of the Council of the French Republic, is about to enter a religious order. She is an artist of sufficient ability to have exhibited in the Champ-de-Mars, where her pictures ranked well among those of female artists.

The candidates writing in Winnipeg have been a little less numerous than last year, although the total of candidates, including those who are writing at Portage la Prairie, Brandon and other outside points, is somewhat in excess of last year's total.

Who Can Dispute It? Barry's Corners, N. S., Feb. 15th, 1894. W. H. COMSTOCK, Brockville, Ont. DEAR SIR, Your Dr. Morse's Indian Root Pills are the best selling pills in the market. This is a fact. I speak with knowledge on the subject, as I have been dealing in various kinds of pills, and sell more of Morse's than any other. If any one does not believe this I ask him to write any of my customers about it, or better still, I ask him to try a box and see if he will then use any other. I hope I may always have them. Yours gratefully, H. M. G. BARRY.

In the olden times, physicians accounted wise, searched vainly for the Elixir of Life, or the knowledge whereby life might be prolonged. We now know that there is no such thing as an Elixir of Life. But we have learned that life may be prolonged by those who take the right measures. Any man or woman who will take care of health and take the right remedies for ill health, may live to a ripe old age. When a man feels out of sorts, when he gets up in the morning tired out after a restless night, and goes home in the evening completely knocked out with his day's work, without appetite or ambition, he is a sick man. If he does not take the right remedy he will soon be in the grasp of consumption, nervous prostration, malaria, or some other serious malady.

A man in this condition should at once resort to Dr. Pierce's Golden Medical Discovery. It is the best of all medicines for hard-working men and women. It makes the appetite keen and hearty. It gives sound and refreshing sleep. It tones and strengthens the whole system. It invigorates the heart and nerves. It makes digestion perfect, the liver active and the blood pure. It cures 98 per cent. of all cases of consumption. It strengthens weak lungs, and cures bronchitis, spitting of blood and obstinate coughs. It is the great blood-maker and flesh-builder. It does not make flabby flesh like cod liver oil, but firm, healthy, muscular tissue. It does not make corpulent people more corpulent. Thousands have testified to its marvelous merits. Sold by all medicine dealers.

You know what you want. It is not a dealer's business to tell you. Send to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of the "People's Common Sense Medical Adviser. For paper-covered enclose 31 one-cent stamps to cover customs and mailing only. Cloth-bound 50 stamps.

BUYING DRUGS

Is entirely a matter of confidence, as in no other business is sophistication easier; nor does any other avenue afford so ready a means of disposing of worthless articles. You can buy a pair of shoes for \$1 or \$10—it's entirely a matter of quality. There is as much difference in the quality of drugs as there is in shoes, except in purchasing one you can use your own judgment, in buying the other you are entirely dependent upon the honesty and judgment of the Druggist. In one case it is only a matter of comfort and appearance, and in the other frequently of LIFE or DEATH. You can always rely with the utmost confidence on the DRUGS and Medicines which you get at
