Don't read! Don't think! Don't believe! Now. are you better?

You women who think that patent medicines are a humbug, and Dr. Pierce's Favorite Prescription the biggest humbug of the whole (because it's best known of all)—does your lack-of-faith cure come?

It's very easy to "don't" in this world. Suspicion always comes more easily than con-But doubt — little fidence. faith - never made a sick woman well - and the "Favorite Prescription" has cured thousands of delicate, weak women, which makes us think that our "Prescription" is better than your don't believe.

We're both honest. Let us come together. You try Dr. Pierce's Favorite Prescription. If it doesn't do as represented, you get your money again.

Where proof's so easy, can you afford to doubt?

Little but active—are Dr. Pierce's Pleasant Pellets.

Best Liver Pills made; gentle, yet thorough. They regulate and invigorate the liver, stomach and bowels.
