413 Yonge Street, New Y. M. C. A. Buildings.  
Shirts to order. Discount to students.

**WHAT SHE USED TO DO AT CHRISTMAS.**

"What did they do in the olden time?"  
Asks blue-eyed Belle, as to and fro  
She rocks while the joy bells clash and  
chime;

"What did they do in the long ago,  
When Christmas came with its snow and  
rime,

In the brave old days of romance, you  
know,

And powder and patches and furbelows  
And buckled shoes with the funny toes?"

I look at the dreamy, questioning face  
And the starry eyes upturned to mine,  
And feel the spell of her girlish grace.  
Some sweet sensation I can't define  
Draws me nearer the fireplace,  
Nearer the maid, demure, divine,  
And I can thank my stars and the  
mistletoe  
That I did not live in that long ago.

"In the olden time," I at last explain,  
Hovering over her rocking chair,  
"The joys of the dance began to wane,  
And the gallant lords and the ladies fair  
Roamed through the palace halls again,  
Daintily dressed and debonair,  
And the lover sat down by the firelight's  
glow,  
Just—just—as we are doing, you know."

"And then," asks Belle, with downcast eyes,  
"And then, Sir Hubert—(imagine me,  
If you can, appareled in lordly guise)—  
Knelt down as I am doing, you see,  
And put his arm, as you may surmise,  
Around her so—quite tenderly,  
And under the mistletoe a kiss  
He gave her, something like this—and  
this!"

**NEVER HEARD OF SUCH RAPID ADVANCEMENT.**

A Dutchman, whose son had been em-  
ployed in an insurance company's office,  
was met by an acquaintance, who in-  
quired: "Well, Mr. Schider, how is Hans  
getting along in his new place?"

"Jhoost splendid; he vas von off dem  
directors already."

"A director! I never heard of such  
rapid advancement. That young man  
must be a genius."

"He vas; he shoost write a shplendid  
handt."

"Oh, yes, plenty of people write good  
hands; but you said Hans was a direc-  
tor."

"So he vas (indignantly); he direct  
dem circulars ten hours efery day al-  
ready."—*Louisville Courier-Journal.*

A man may be behind in his work and  
still show push. This is so if he is wheel-  
ing a barrow.

The prevailing style of architecture  
is growing so in popularity that drug-  
gists are now selling Queen-Anne pills.
