

At Home with THE KODAK

Make Kodak your family historian. Start the history on Christmas day, the day of home gathering, and let it keep for you an intimate pictorial history of the home and all who are in it. Make somebody happy with a Kodak this year—the pictures will serve to make many people happy in the years that follow.

Unless you are already familiar with Kodakery, you will find the making of home portraits much simpler than you imagine—so simple, indeed, that the novice often gets the credit of being an expert. To make it still simpler we are issuing a beautifully illustrated little book that talks about home portraiture in an understandable way that will prove helpful to any amateur. Whether you already have a Kodak or not we would like you to have a copy of this book.

Ask your dealer or write us for a free copy of "At Home with the Kodak."

MASTER BERTRAM MURDOCK, of Longueuil, Que., though one of the youngest of our Agents when he started selling the 'PICTORIAL' had done such splendid steady work that we had intended ere this giving him a place of honour in our Portrait Gallery. A sudden illness attacked Bertram only a few weeks ago, and he succumbed. Our sympathy is respectfully offered to the bereaved family.
