Twenty-four (24) permit applications for live species and fourteen (14) permit applications for parts or derivatives were approved by the Canadian Wildlife Service during 1984. The majority of the import permits were for live animals for zoos.

Issuance of Certificates

Section 9 of the Act provides that:

"The Minister may, in order to facilitate the importation of goods into Canada and compliance with the laws of the country of export, issue to any resident of Canada applying therefor an import certificate stating that the applicant has undertaken to import the goods described in the certificate within the time specified therein and containing such other information as the regulations require."
