PREFACE

CD/CW/WP

This volume covers working papers tabled in the Ad Hoc Committee on Chemical Weapons (AHCCW) during its 1991 sessions from 28 January 1991 to 23 August 1991. Also included are working papers from the intersessional meetings of the AHCCW which took place from October 1991 to December 1991. The volume is compiled to facilitate discussions and research on the issue of Chemical Weapons.

Not all numbered working papers from the AHCCW have been reproduced here. Some papers were also tabled in plenary and given a CD/number. These can be found in the appropriate annual volumes for plenary official documents (WP). Other papers were of such transitory importance (relating mainly to procedural matters) that they have not been reproduced.

Note that the index is a chronological listing while the documents themselves are arranged in numerical order by CD/CW/WP number.
