

- (3) Each Party shall provide written notification to the other Party, prior to the transfer, whether direct or through third parties, between the United Mexican States and Canada, of nuclear material, material, equipment and technology subject to this Agreement.
- (4) The appropriate governmental authorities shall establish notification and other administrative procedures in order to implement the provisions of this Article.

ARTICLE V

- (1) Nuclear material subject to this Agreement shall not:
 - (a) be transferred outside the jurisdiction of a Party to this Agreement to a third party;
 - (b) be enriched to twenty (20) percent or more in the isotope uranium-235; or
 - (c) be reprocessed;

without the prior written agreement of the Parties. Such agreement for (b) and (c) shall describe the conditions under which the resultant plutonium or uranium enriched to twenty (20) percent or more in the isotope uranium-235 may be stored and used.

- (2) Material, equipment or technology subject to this Agreement shall not be transferred outside the jurisdiction of a Party to this Agreement to a third party without the prior written agreement of the Parties.
