Note No. TPS0138

Excellency,

I have the honour to refer to the Greek Embassy's Note number AS 1097 informing of the Greek competent authority's approval of the Agreed Minute from the October 1994 consultations on the Agreement between the Government of Canada and the Government of the Hellenic Republic on Air Transport, done at Toronto, on August 20, 1984.(1)

Pursuant to those consultations, I now have the honour to inform the Embassy that Canadian authorities have likewise approved the Agreed Minute and to propose, on behalf of the Government of Canada, the following Amendments to the 1984 Agreement:

- (a) A new Annex, Schedule of Routes, as set out in Attachment 1 of this Note, which will supersede and replace the Annex in the 1984 Agreement;
- (b) revised Article IX, including provisions for change of aircraft, as set out in Attachment 2 of this Note, which will supersede and replace Article IX in the 1984 Agreement.

If the foregoing is acceptable to the Government of the Hellenic Republic, I have the honour to propose that this Note together with its Attachments, which are equally authentic in English and French, together with your reply to that effect, shall constitute an Agreement between our two Governments amending the 1984 Agreement, which shall enter into force on the date of your reply.

I avail myself of this opportunity to extend to Your Excellency the assurances of my highest consideration.

André Ouellet

His Excellency Apostolos Papasliotis  
Ambassador of the Hellenic Republic
