

National Archives of Canada Act

Clause 99: This amendment, which would substitute the word "for" for the word "by", would better reflect the fact that, legally speaking, the amounts are received by Her Majesty.

National Parks Act

Clause 100: (1) and (2) These amendments would require management plans of national parks to be laid before each House of Parliament rather than just the House of Commons.

Digitized by the Canadian Library Association

Article 99. — Substitution du terme « pour » au terme « par » pour mieux correspondre à la situation juridique.

Loi sur les parcs nationaux

Article 100. — Les plans de gestion des parcs nationaux seront déposés devant chaque chambre du Parlement, et non à la seule Chambre des communes.

Clause 101: (1) and (2) These amendments would add the underlined words in order to better reflect the fact that the acts referred to are only prohibited to the extent provided in the regulations.
