My dear Fred:

I have your letter of yesterday.

I am sorry I bothered you. Certainly you have done your share, more than your share, but you will, I hope, appreciate that my circular was addressed to the Governors, Members of Corporation, Graduates and staff of McGill University. It was quite a task to get out those four thousand letters, and I did not have time to examine critically the list.

With all good wishes,

I am,

Ever yours faithfully,
