

*Recommends a Small  
Board or Committee to  
run Graduate Studies*

19th November, 1928.

Professor E. R. Adair,  
Department of History,  
McGill University,  
M o n t r e a l.

Dear Professor Adair,

So many thanks for your admirable exposé  
of the needs of the Graduate Faculty. I am going  
to have it mimeographed, after a few slight  
alterations, and send it around to the heads of the  
Departments in the University.

In circulating your suggestions, I will not  
mention any names, as I wish to keep all the discussion  
as impersonal as possible. On the other hand, I do not  
intend that you should keep your light under a bushel,  
and want to give you credit for all your suggestions.

Again, my sincere thanks.

Very cordially yours,
