

The BISHOP OF LONDON says :

"If I am not mistaken 'J'Accuse!' in years to come, will be an accusing finger of the civilised world, pointing to Germany, as Nathan pointed to David, saying, 'Thou art the man.'"

J'ACCUSE!

By A GERMAN

Translated by ALEXANDER GRAY

5s. net.

"This is the most thorough and closely reasoned analysis we have yet seen of the events which led up to the great war, and, because it is the most thorough and closely reasoned, it constitutes also the most powerful indictment of Germany and her subordinate ally. That this indictment should have been drawn up by a German lends additional and dramatic force to it."—*Times*.

"Of the many books that have been already written about the war and its causes, and of that greater number, at which the imagination boggles, that will be written in the future, I doubt whether any will have a greater significance for the student than J'ACCUSE! . . . J'ACCUSE! is not only an absorbingly interesting volume but one of great permanent value; and its anonymous author deserves the gratitude of all right-thinking men for the high moral courage that has inspired his work."—*Punch*.

"It is a valiant and very powerful attempt made by a German to pierce the black, solid walls of misrepresentation behind which his countrymen are sitting in the dark."—*Spectator*.

"The most remarkable book that has been written about the war is J'ACCUSE! . . . It is a book that ought to be read by us all. It is a reasoned indictment of Germany and Austria, based upon documentary evidence, not upon rhetoric or sentiment. The point of view is not British, or French, or Belgian, or Serbian, or Russian. It is purely German. If there be any man among us whose conscience is troubled by the sophistries of Mr. Bernard Shaw or Mr. Ramsay MacDonald let him study this impeachment of the criminals who are convicted of the greatest crime in history."—JAMES DOUGLAS in *The Star*.
