

(4) Satisfactory evidence shall be offered as to the periods spent on the different classes of engineering employment, and intervals during which the Candidate was not engaged in the construction or operation of engineering works, or in the prosecution of surveys shall not be included as portions of the aforesaid period of three years.

(5) It shall not be necessary that the several intervals required to make up the period of three years be consecutive.

(6) Each Candidate shall prepare for the approval of the Senate an original essay on some engineering subjects, accompanied with detailed explanations, drawings, specifications and estimates. He shall also be examined on the subject of the essay, as well as on the work or works on which he has been engaged, unless exempted therefrom on the special recommendation of the examiners.

(7) The subject of the said essay shall be forwarded to the Registrar for the approval of the Senate, not later than the first day of February.

(8) Candidates shall notify the Registrar of their intention of proceeding to the Degree of C. E., not later than the first day of April.

(9) The evidence required in Section 4, together with the essay, drawings and estimates shall be sent to the Registrar not later than the first day of May.

(10) The examination of the essay, drawings and estimates, and any further examination of the Candidate that may be considered necessary may be held in May.

(11) The fee for the degree of C. E. shall be twenty dollars and shall be paid to the Registrar not later than the first day of May.

(12) The essays, drawings and estimates submitted by the Candidates shall be the property of the University.

(Passed February 1, 1884.)
