

THE * PROFILE * HOUSE, ❧

WHITE MOUNTAINS, NEW HAMPSHIRE.

THE Proprietors of the Profile House present their compliments to the traveling public, and invite their attention to one of the finest, best known, and most beautifully located of Summer Resorts. It is situated in the Franconia Notch, on an open plateau nearly 2,000 feet above the sea, between two charming lakes, and amid more gems of scenery and points of interest to the traveler than can be found in any other section in New Hampshire.

The Profile, or Great Stone Face, is near the hotel, and is undoubtedly the most remarkable rock formation in this country if not in the world.

Excursions on foot or by carriage may be made to Bald Mountain, Echo and Profile Lakes, Old Man of the Mountain, through the Franconia Notch to the Flume (which is the object of a pilgrimage to every White Mountain tourist), the Flume House, Pool, Basin, and several minor points of interest. Also by rail to Bethlehem, Maplewood, Jefferson, Mount Washington, or through the White Mountain Notch to North Conway, and return the same day.

The House is the largest summer hotel in New England. It is heated, when necessary, by steam and open wood fires, and has Post and Telegraph Offices, Elevator, Gas, and every modern convenience. All the popular amusements are furnished, and every effort made to provide a pleasant home for seekers of health, rest, or pleasure. Open from June 25 to October 1 of each year.

Our New Flume House, open from June 15 to October 20, has accommodations for one hundred guests, and is well adapted to the wants of those who desire to make a long season in the mountains.

Respectfully,

TAFT & GREENLEAF.

C. H. GREENLEAF, of Hotel Vendome, Boston.
