Offered with our Compliments, by complying with the Offer shown in the Educational Certificate on another page

THE **TORONTO WORLD**

Recognizes the fact that there are numerous "Illustrated" Bibles offered to the public. But they contain merely pictures of Biblical scenes taken at random from various sources and inserted without regard to subjects or chapters. Some new Testament Scence are inserted in the Old Testament, and vice versa. Thus they entirely lose their educational value. In this Bible there are more than 600 illustrations printed with the type, so that they make plain the text matter which they accompany. Those who are not familiar with the Bible will catch many a new meaning aided by these illustrations. Then this Bible also contains full-page color plates from the wonderful Tissot collection, each of which has been selected with the same object of explaining the accompanying text matter. So with all respect to other Bibles, the fact remains that this is the only really illustrated Bible.

This Is the One Book of All Books that Will Be Appreciated by Every Member of the Family-Young and Old Alike

No difference how many other Bibles you may now have, this one explains and makes clear the many subjects illustrated; and even though you may have no religious beliefs, such a work will be found an invaluable aid to education.

Ladies' Home Journal SAYS ABOUT THIS GREAT WORK

"Why I like this illustrated edition of the Bible is because everything about it has been well done and seems to have been done in the right spirit. The Book itself has been approached by the annotator with reserve and intelligence, and by its artists with sympathy and knowledge. It has not been made into a meaningless picture book. The pictures here serve a distinct purpose. They enrich the text, but they do more; they intelligently explain it, and many a hitherto obscure passage will assume to thousands a new meaning through these eye-teaching pictures. Popularizing the Bible is a risky experiment in the hands of many, but it has been made a splendid achievement in this case.
