# TO J. LUSH BELONGS CREDIT FOR 10-3 VICTORY OVER BISONS

Not a Hit Off Toronto Southpaw Until Fifth-Johnny Has Four Himself, Including Double and Triple.

BUFFALO, Sept. 6.-(Special.)-To Pitcher Lush belongs the credit of today's victory over Buffalo, when by his mystic twirling and mighty hitting he Montreal wan by a score of 10 to 3. He was so effective that it was not until the fifth effective that it was not until the fifth did he allow a hit. Another three-bagger by Schang came in the sixth, but the game had been sewed up and in order to save Lush for further use within a day or so Manager him a rest and Mueller went in. The Herd took kindly to the latter's delivery and managed to gather in two runs and five hits in the last three rounds. Tush also received excellent support and on two occasions when he had allowed a man to walk his pals managed to pull off a double play, but it was really his and the support and on the support and on the support and on two occasions when he had allowed a man to walk his pals managed to pull off a double play, but it was really his and the support and on the support and on two occasions when he had allowed a man to walk his pals managed to form the support and on the support and on the support and on two occasions when he had allowed a man to walk his pals managed to form the support and on the support and on the support and on two occasions when he had allowed a man to walk his pals managed to form the support and on the support and on the support and on two occasions when he had allowed a man to walk his pals managed to form the support and on the supp two occasions when he held allowed a man to walk his pals managed to pull off a double play, but it was really fits masterly control and his work with the stick that attracted the most attention. Out of four times at bat Lush succeeded in getting four hits, a triple, a double and two singles. His double, however, looked much like a gift for the ball had all the ear marks of being a foul. It was a hot drive down the first base line. To the players and spectators it looked as if the ball bounded on the wrong side of the bag, but Murray ruled otherwise. McConnell and Holly were on the bases and the former scored. The first two times Tim Jordan came, to bat Fullenweilder took no chances and allowed him to walk. Tim, tho, managed to squeeze in a hit in the fifth, but in the sixth he was an easy out. Stark's error gave him a life in the eighth and he got as far as third before the third out. Altho McConnell did not get a hit, he managed to score three runs. A donation of two passes and an error put lim on first and his team mates sent him around.

Umpire Murray was again in the limelight and his judgment at at the plate was considered very poor. In fact, in one instance, it was ridiculous. Bill Bradley was at bat and a nice one came along and Big Bill took a mighty wallop at it.

was at bat and a nice one came along and Big Bill took a mighty wallop at it. "Ball," shouted Murray and even Bill had to smile. Murray tried to make upfor his blunder on several occasions after, for which the visitors had to suffer. When Lush knocked the ball close to first in the fourth inning and Marray called it a safe hit, Beck threw his glove in the air and was immediately replaced by McCabe. Murray wouldn't even let him stay on the bench. This year will probably see the last of Murray as an official on the diamond.

In the first six innings the Maple Leafs ficial on the diamond.

In the first six innings the Maple Leafs walloped Fullenwellder for a total of ten hits and nine runs. He was then yanked out by Stallings and Frill toed the rubber. He was hit at will and only fast fleiding prevented Toronto from the champions to beat the Royals again today by a score of 9 to 4. Jack Quinn, the former Yankee, besides pitching great ball, drove in three runs and scored twice hits. Dalton hit a high one into thort centre in the minth and Jimmy Claims the ball never hit the ground and minary got it close to the ground. Jimmy claims the ball never hit the ground and many of the fans agreed with him, but two duil reports could be plainly heard and evidently Murray was just trying to put over something, for his protest was very mild.

Cricket Club. It will be concluded tomorrow.

The Philadelphia batting was much more enterprising, but a total of 168 was not a large one, considering the state of the wickets. The first pair of batsmen, J. B. King and H. A. Furness, passed the Canadia ntotal before they were parted. The next few batsmen did very little, and eight wickets were down for 104, when R. L. Melville became associated with Percy Clark. Before the pair were separated 57 runs had been added. Melville was then bowled by Seagram for 28. Score:
