

## IS THE TORY PARTY TO RISE ONCE MORE?

Talk of a Banquet, of Hon. Robert Rogers, and Return to Straight Party.

Toronto Conservatives may be shaping themselves to get back to the old party lines, according to the views of a number interviewed by The World yesterday. Mayor Church is planning a banquet for September 21, to celebrate the victory of 1911, at which Hon. Robert Rogers is to be one of the guests.

James L. Hughes said that he had read The World's news item and was ready to testify as to Mr. Rogers' ability as a leader and genius for organization. "What the country needs at the present time," said Mr. Hughes, "is leadership. It wants strong leadership, a leadership with driving power."

Other Conservatives expressed themselves in a similar way, but a number thought that as the war had not yet been won it was premature to reorganize the government. Dr. John Noble, 219 Carlton street, said he had very decided views on the subject. "But," he continued, "until the war is over I will support Union government. Then I believe we will have to go back to party government. We have tried all forms. Oliver Cromwell and we have always come back to the party system. Here in Ontario we have had three parties, and in the States they have had two. The Populists and the Progressives, but the third parties always disappear and we get back to the regulars, the Ins and the Outs. When the war is over we will take on our old party names, but till then, even if our government is unsatisfactory, I wouldn't touch it. Generally, when we have won, and the German menace is removed, someone will rise to lead an opposition and we will have our fight on the old lines. I will be in favor of that then."

A Conservative member of the legislature stated that "Union government has completely fallen down" and added that he would have some strong views to express on the political situation at the proper time.

## BIRTHS ARE DOUBLE NUMBER OF DEATHS

According to the figures available at the registrar-general's department, there has been a steady decrease in the number of births in the Province of Ontario for the last four years. The latest statistics compiled are those for the year 1917, and they have not been issued earlier owing to the tremendous rush of business the department had to deal with when the order was issued that every one was to carry a birth or marriage certificate.

The number of deaths has remained practically stationary during the last four years, while marriages have gradually decreased in numbers.

The births last year numbered nearly twice the number of deaths, the respective figures being 62,668 for the total births, against only 32,268 deaths. In the cities, the figures were 46,099, of which 13,459 were males, and 12,570 females. The births in towns totaled 4866, divided into 2823 males and 2043 females. A total of 32,268 deaths were registered during 1917, the cities accounting for 13,519, the towns 2493, and the counties 17,256. In all there were 221,493 marriages during last year. The figures for cities, towns and counties have not yet been compiled. In 1916, deaths numbered 35,580, births 65,524, and marriages 23,451, while in 1915 the figures were respectively 32,268, 67,072 and 23,206, and during the first year of the war, in 1914, deaths registered totaled 32,440. There were 66,265 births and 24,246 marriages.

## RECRUIT CADETS FOR AIR FORCES

Eligible Men May Be Sworn in for the Reserve.

Recruiting of cadets for the Royal Air Force is now again in full swing, men are again being taken for immediate service, and those who are eligible are being sworn in for the reserve. The reserve is composed of men below the Military Service Act age, and therefore men who are in the nineteen-year-old class can now only be taken for immediate service. Candidates who are of Military Service Act age, single and under thirty, after passing medical tests at the Royal Air Force recruiting offices, have to enlist in depot battalions. The officers commanding depot battalions are then requested by the Royal Air Force to send such approved men to the Royal Air Force for final approval. Married men under thirty years of age are also eligible. Men of the nineteen-year-old class must produce a certificate from the registrar to the effect that they have registered. Offices have been secured and will be opened Aug. 12, at the La Salle Building at the corner of George and Duke streets, to which the whole staff, now operating at 32 East King street, will move. This office will accommodate the officer of records and chief recruiting officer, the senior medical officer and the P.M. The committees have a membership of over 1000 persons, and have done a great deal of successful work in recruiting cadets and mechanics.

The Montreal players will look over the links the day before so as to get familiar with the course, and on the Saturday play two exhibition games of eighteen holes each. ## MAN WHO MARRIED GIVEN EXTENSION

Was in Low Category, But Later Put in Higher Class.

Thirty men of medical Categories "C" and "E" were exempted from military service yesterday when their cases came before the court tribunal, presided over by Mr. Justice Clute. In further support of his stand that he had no jurisdiction in the cases of "C" and "E" men unless after a medical re-examination, the judge referred to Sections 6, 7, 10 and 50 of the Military Service Act, and to Regulations 44 and 59 and stated he was proceeding exclusively according to the wording of the act and the regulations.

An interesting case was that of Thomas B. Robinson, 1050 West Dundas street. He had married last October while in Category "E." Col. R. J. Christie, he said, had given him a written certificate that the "E" man would never be called up. Later he had been placed in Medical Category "B" but had not been notified of the change. The judge ruled that the man was justified in accepting the colonel's statement and granted exemption until Nov. 1, pending a general ruling from Ottawa as to the status regarding military service of men who married while in "E" category and were later placed in "B."

## WANT BETTER SERVICE ON SUBURBAN RAILWAY

An application for better service on the suburban railway between West Toronto and Weston was heard by the Ontario Railway and Municipal Board yesterday. A deputation from the Town of Weston, headed by G. H. Gray, town solicitor, insisted that the Suburban Company was not supplying the service it has promised to give.

R. B. Henderson, who represented the company, did not believe the railway board should be asked to intervene, but D. M. McIntyre, chairman of the board, remarked that the board on its own motion could direct that the people be properly served. The matter was finally adjourned until the traffic expert investigates, and the board assured the delegation of circumstances warranted it, the town would obtain better service if the company was not burdened too much.

## NEWS OF LABOR

### MEN NOT SATISFIED WITH WORKING HOURS

The employees of the Toronto Street Railway are dissatisfied with the present schedule of the company, and a mass meeting may be called shortly to consider the grievances of the men.

At present, the men are changed around very often from two-piece to three-piece schedules, with the result that a number have left the service. A two-piece schedule means that a man gets two shifts on the same car a day. A three-piece schedule, on the other hand, indicates a three-shift day, the real working hours on the two-piece and three-piece schedules amount to about ten for each day's run. But, the time lost one way or the other brings the schedules up to as high as 14 and 15 hours a day for each man.

As time went on the employees would leave the company and it would find itself short of men. There must always be two men to a car, a motorman and a conductor. Lately owing to the shortage of men, the company has been unable to supply the men on every occasion. One man who was asked to work only to discover that his partner had not turned up. No partner, no work, and as a result, no pay. Hence the present dissatisfaction with the schedules.

## WAR VETERANS

### RESENTS ATTITUDE OF COLONEL PIDGEON

Colonel Pidgeon came to the G.W.V.A. convention to break up the association in the opinion of Comrade MacLeod, secretary of the West Toronto branch of the G.W.V.A. "We people here in Toronto resent that man's imputations against us," said Comrade MacLeod. "I strongly object myself to that term 'parasite.' We here in Toronto are every bit as good men as the 'parasites' who will not lose much by his designation."

"I believe that the Winnipeg delegates fell for the designs of the Ottawa branch, and that the result was a sort of collusion between the two branches at all. The Winnipeg men believed in the principle of the differences between principles."

### MUST SOON DECLARE POLITICAL POSITION

Comrade MacLeod of the central branch, G.W.V.A., stated yesterday afternoon that, in his opinion, the recent Dominion convention had passed a resolution which debared discussions upon specific political candidates within the ranks of the association. However, he also stated that he did not believe that the resolution in question represented the opinions of the majority of the association. He further stated that he was given small chance to present a motion along these lines. He was sure that the time would come when the association would have to show itself politically in the open one way or the other.

### RIVERDALE G. W. V. A.

Riverdale branch, G.W.V.A., will hold a special meeting next Thursday night at 8:30 p.m. to elect new officers and to hear reports from delegates to the recent Dominion convention. W. Carmichael, a well-known member of the branch, is among those who may run for the presidency.

## MESSAGE OF CURRIE TO CANADIAN PEOPLE

Ottawa, Aug. 7.—The following message to the Canadian people has been received by cable from Lieut.-Gen. Sir Arthur Currie, the Canadian corps commander:

"As we enter upon the fifth year of the war, I desire, on behalf of all ranks of the Canadian corps, to express to those at home our profound gratitude for their untiring and sturdy support. It has strengthened our courage and intensified our resolution. Without it we could not have endured the strain; with it, we shall fight on until the purpose for which we came is firmly established."

"I promise you that our faith in us will continue to be justified. The spirit of our men was never higher. From every section of the corps goes forth to you the triumphant message: 'Be of good cheer.'"

"To all former comrades now returned to Canada, I would appeal for a response to the obligations and privilege of citizenship as splendid as their response to the military needs of our country. The great ideal you so nobly fought for is now your privilege to live for."
