ORIGINS OF THE GAME

TORONTO, JULY 18.—5 TO 4

Baltimore Bunched Their Hits in Eighth, Scoring Four—Buffalo, Rochester, Montreal Won.

Yesterday's game at Diamond Park was one with the Gibson picture very much in evidence—two out and home full. McCaffery proved an enigma, as the pitcher, when Baltimore bunched hits and scored the score. During this inning he pitched good ball and received excellent support. He did the twisting for Baltimore, but was not nearly so effective as Mac. Buffalo, with Currie pitching best out of the eight, was the victor, won by the Royals. Rochester defeated Providence.

Everything a man needs, from hats to shoes. Such clothing as merchant tailors make at their best, because we are tailors ourselves.

Such shoes as the most successful stores sell because we don't have to make all our profit off shoes.

And every price within easy reach. Never any extravagance in anything we do or say.

ORIGINS OF THE GAME

TORONTO, JULY 18.—5 TO 4

Baltimore Bunched Their Hits in Eighth, Scoring Four—Buffalo, Rochester, Montreal Won.

Yesterday's game at Diamond Park was one with the Gibson picture very much in evidence—two out and home full. McCaffery proved an enigma, as the pitcher, when Baltimore bunched hits and scored the score. During this inning he pitched good ball and received excellent support. He did the twisting for Baltimore, but was not nearly so effective as Mac. Buffalo, with Currie pitching best out of the eight, was the victor, won by the Royals. Rochester defeated Providence.

Everything a man needs, from hats to shoes. Such clothing as merchant tailors make at their best, because we are tailors ourselves.

Such shoes as the most successful stores sell because we don't have to make all our profit off shoes.

And every price within easy reach. Never any extravagance in anything we do or say.
