## Stolypin's House Wrecked by Bomb TWO OF THE FOUR CONSPIRATORS ARE DEAD

Thirty-Two Killed; Premier Escapes

Literally Blown to Pieces-Indescribable Havoc Wrought by Explosion.

face and neck by flying splinters.

Among the dead are: General Zamaetin, the premier's personal secretary.

M. Khovosteff, former governor the Province of Penza. Col. Federoff, chief of the premier's

personal guards.

Prince Nakashidge
Court Chamberlain Davidoff.
Court Chamberlain Veronin.
Aide Doubasoff and
Four women and two children; a
police officer and several guards and

servants.

The wounded include M. Stolypin's

The wounded include M. Stolypin's three-year-old son, who is seriously, tho not fatally injured his 175 year-old daughter who had both ligs broken and a number of persons prominent in the social and official worlds.

Of the four conspirators who engineered the outrage, two were killed with their victims, while the third, who acted as coachmen for the party, and the fourth, who remained inside, the carriage, were badly wounded, and now are in the St. Peter and St. Paul fortress.

of the outrage drove up to the pre-mier's residence after the list of visitors had been closed. The servants refused them admission, after which they attempted to force an entry to the house. A struggle ensued at the receiving visitors in a private room, was not injured, but his daughter and son, who were sitting in the balcony were wounded. The principal loss of life occurred in the antercom

Came From Moscow As a result of the enquiry it was learned to-night that the man who threw the bomb came here from Moscow via Warsaw. They took lodgings in Morskala-street, and to-day hired. a carriage in which they visited one of the open air summer theatres prior to going to Premier Stolypin's. The chief of the assassins, whose body now guarded by troops, is apparently about 25 years of age. He wore a brand new uniform, beneath which he had on a civilian vest of very dirty

A few days ago a retired officer Premier Stolypin's three-year-old boy had his right hip broken, and receiv-

ed. Later in the evening he visited them twice in the hospital.

The havoc wrought by the explosion is indescribable. Bodies were so torn or mangled as to make identification impossible, some of them headless, armless or legless lying among the blood dripping wreckage.

Dieses of the hospital points of the mass. Nothing suspicious was noted in his manner, and the sacristan aided him in donning the vestments.

During the ceremony of telling the beads. Father McEachern passed thruthe sanctuary and took a position that

when the Associated Press this evening succeeded in securing permission to pass the cavalry guarding the approaches to the house, the dead and wounded already had been removed When the Associated Press this wounded already had been removed to a neighboring hospital, but by the light of flaring torches the police still were picking out from the wreckage bits of figh and placing them I'm towels for transportation by ambulance to the morgue.

At the hospital the correspondent

Somb hurled at Premier Stolypin's house, killing twenty, among whom was the premier's daughter, also personal secretary, and wounding thirty ofters, among whom is toe son of M. Stolypin.

Two of the four conspirators were killed by the bomb which was thrown into the crowded reception-room of the premier's residence.

Premier Stolypin's escape was miraction. He was slightly wounded.

St. Petresburg, Aug. 25.—Thirty two persons are deal and 30 others wounded as the result of the dastardly attempt to assassinate Premier Stolypin's escape was miraction. He had alled her until the police a bomb lying in the bomb while he was holding a public reception at his country house at Aptkersky Island. The premier was slightly wounded on the face and neck by fiying spilnters.

St. Petresburg, Aug. 25.—General Min. commander of the Seminovsky Guard to set the buildings of the institute on fire and roast the students in side. Min was set by the emperge to suppress the disorders at Saratov at the trust place was quelied to set the buildings of the institute on fire and roast the students in side. Min was set by the emperge to suppress the disorders at Saratov at the results of the cassassination of Lieut-Gen-Tak and the premier's residence.

Premier Stolypin's escape was miraction with his family when he was killed by a young girl, who fired five revolver shots into his back, killing him instantly.

Madame Min selzed the assassin by the hand and held her until the police a bomb lying in the dead of the police a bomb lying in the premier's revolutionists discovered the supplication of the revolutionists, discovered the supplication of the revolutionists, discovered the supplication of the revolutionists and was arrested. It developed that he was a revolutionist and was a mass of fiames.

The dead was committed by a young girl, who fired five revolver shots into with his family when he was hill we have a revolutionist and was a mass of fiames.

The dead has and office we have the police a bomb lying in the police of the single pre

Write claiming \$25,000 damages for and the fourth, who remained inside the carriage, were badly wounded, and now are in the St. Peter and St. Paul fortress.

Whether the assassins, who entered the crowded reception hall, threw the bomb or accidentally dropped it probably never will be known as all the immediate eye witnesses were killed.

The tremendous force of the explosion absolutely blew out the front of the premier's residence and carried away the cellings above, and the walls of the adjoint in moneys.

Henry Peppler of Hanover and High Constable Patrick Heffernan of Walk-that might be laid, but in spite of this, on. Saturday, after the felse pretences charge (originally theft) had been distingted the court proceedings at Walkerton of the court proceedings of \$1200 to the court

stantly were horribly maimed or lacerated and all the others present were prostrated by the shock.

Miraculous Escape.

The premier's escape was miraculous, for only a moment before the explosion he had stepped inside his study at the rear of the salon to speak to Prince Shakovsky. Altho he was but slightly injured, he is completely prostrated by the calamity.

Later details show that the authors of the other presents of the outrage drove up to the presents of the consideration if Peppler was shown all the rear of the shock.

Salor only a moment before the explosion he had stepped inside his study at the rear of the salon to speak to Prince Shakovsky. Altho he was but slightly injured, he is completely prostrated by the calamity.

Later details show that the authors of the outrage drove up to the presents of the constable that he had invested his money in the hearings company, but that he was afraid he was going to lose on his investment. Then Heffer had not him to one share of Toronto Roller Bearing Company stock, the new ones allege false pretences in regard to one share of Toronto Roller Bearing Company stock because of misrepresention. The defence claim that Henderson had nothing to do with the transactions in question, which were made by an agent named white.

## RATHBUN DOCKS BURNED MAYOR, POLICE, GUARDS JOIN THE REVOLUTION

President Palmer Issues Call For Volunteers and Promises Amnesty to Rebals Who Give up Within 30 Days.

Havana, Aug. 52 .- A despatch received here from Las Cruces, Santa Clara Senator Frias of Clenfuegos has re-

owned by the Rathbun Co., and inside goes under the nickname of Pino Guer of few minutes the whole structure was ra, and the men under him, still con-

at san Juan de Martinez, intimate tonight that it is much larger than they
have hitherto permitted to be known.
This is fully confirmed by the correspondent of the Associated Press, who
is with the government troops. The
correspondent telegraphs that Col. Avalos has with him 250 artillerymen, and
that he is accompanied by Col. Bacallo and a few mounted rural guards.

Gen. Rodriguez, commander of the rural guards, said to night that the

Havana, Aug. 25.—President Palma has officially called for volunteers to compose a national militia of infantry and cavalry and to co-operate with the government forces under the command of the chief of the rural guards.

CALL TO ARMS,

rural guards.

The pay of chiefs of battalions and regiments will be \$200 a month, adjutants \$125 a month. captains \$100 a month, and soldiers \$2 a day.

All volunteers disabled will receive full pay during the period of disturbance, and in the event of their death the money will go to their dependent heirs.

were shipped from this city to-day for los has with him 250 artillerymen, and that he is accompanied by Col. Bacellao, with 260 recruits, 150 infantrymen and a few mounted rural guards.

Gen. Rodriguez, commander of the government would send reinforcements to Pinar del Rio to-morrow.

Rodriguez says he is not aware of the exact numerical strength of Guerra's force, but he does not believe it totals anything like 2000 men. He apparen's is confident that the present campaign will result in disaster to Guerra.

The government has not suffered a more ward of the government has not suffered a their homes will be pardoned.

Were shipped from this city to-day for Havana on board the Ward line SS.

Havana on board the Ward line SS.

Mexico. The steamer had stowed away in her hold 15,000 Remington repeating rifles, 800,000 rounds of ammunition and six gating rapid fire guns for the use of President Palma's forces.

The steamer Kansas, which will sail next Thursday, will carry 3,000,000 rounds of ammunition and 5000 Remington repeating rifles, 800,000 rounds of ammunition and six gating rapid fire guns for the use of President Palma's forces.

The steamer Kansas, which will sail next Thursday, will carry 3,000,000 and his accounts further enquired into The financial standing of the firm was bad Lianingtons for the Cuban government.

The Associated Press is informed that the present campaign will result in disaster to Guerra.

The Associated hat on the outbreak of the fire he entered McCabe & Stanley Australia, was called, and stated that on the outbreak of the fire he entered McCabe & Stanley Australia, was called, and stated that on the outbreak of the fire he entered McCabe & Stanley Australia, was called, and stated that on the outbreak of the fire he entered McCabe & Stanley Australiao, will sea was called, and stated that on the outbreak of the fire he entered McCabe & Stanley Australiao, will be read and standing of the fire heard no the fire heard of the fire heard of the fire heard of the fire heard of the fire h
