Corn Ruled Lower With Weakness on Light Trading—Oats Featureless—Provision Market Closed Steady—Latest Commercial News.

Tuesday Evening, Dec. 19. Wheat cables were disappointing to-day as the Chicago market ruled weak and lower. Closing quotations were, Dec. 19: 70 1/2 to 70 3/4; 70 1/2 to 70 3/4.

The Northwest wheat movement continues small, but there is a slight increase. Advice from the Northwest report that all the flour mills at the head of the lakes are closed, and the milling capacity of Minneapolis. This quite offsets the small movement.
