The Kind You Have Always Bought

IS ARBITRATOR'S ADMISSION PASSAGE OF AUTONOM

Had to Equalize and Not Place a Value.

(From the Sunday World.)

Hamilton, July 8 .- (Special.) - "The World is correct; it is a perfectly aba well defined rumor this moining that surd assessment," said F. R. Hutton, when the autonomy bilis come up in when he read The World's editorial cn the senate on Tuesday there will be the assessment of the Mackenzie provery little plain sailing for these two perty to-day. He went on to explain fruits of a lengthy session.

It is said that a determined effort will be made by the upper communications. that he wasn't employed to value the Mackenzie property, but to equalize to modify the drastic terms of the edu its assessment with the Kerr and cation clause and a long and heated debate is to take place. Sir Mackenzie Macdonald properties.

ment have been made to harmonize among the Liberals of the old school of Liberalism, there will be many prowith assessments that were too low? The reason for that was that the proclamation act provided the Mackenzie assessed district.

The seven asserted that the schement of the other assessed district.

bills passing the senate it may be stated acconsideration. In the event of the bills passing the senate it may be stated acconsideration that it will be only after the scheme asserted that the scheme as seven asserted that the scheme as the scheme asserted that the scheme as the sch assessment must be made to harmonize with the assessment of the other Messrs. Kerr and Macdonald had gone ed confid to the court of revision two years ago a long and exciting discussion, and the prorogation may be delayed for another week or ten days by reason of the

and had their assessments reduced. "Mr. Hutton had nothing to do with assessment by the other two properties, both of which he found assessed at away below their real value, especially the Kerr house, which was assessed at \$4000, when it would be cheap, according to Mr. Hutton at \$25,000. The Machine to Mr. Hutton at \$25,000. The Machine to Mr. Hutton figured the considerable criticism. Senator Lougheed has already asked for information concerning the sales of land, especially school lands, in those districts, and this information may take some time to get together. real values. He simply had to fix the the

ment up to \$21,000. As compared with the Kerr residence, Mr. Hutton consid-ered the Macdonald residence worth at least half as much again, which would bring the assessment of the Macken-zie house down to \$6000. Striking the mean between the two, he considered that \$13,000 was a fair assessment for the Mackenzie house, as compared with the assessment of the Macdonald and

values. There are five acres in the Mackenzie property, valued at \$3500 an acre, or \$17,500 for the parcel, tho by an error in the previous assessment this had been worked out to be \$27,000 instead of \$17.500.

OBJECT TO COMPENSATION.

Citizens of the Twin Cities Consider Order Unfair.

Port Arthur, July 8.-(Special.)-People here are not quite clear on the de-cision of Justice Killam regarding ompensation for the Bell Telephone Co.
and the C.P.R. If it means that Port

pensation of Justice Killam regarding commot to bring lunch baskets, as plenty of provisions would be provided for all who might attend. To this end the day's Nationaliste Edmund Bristol, Arthur and Fort William will have to large pay five dollars for every instrument of the Bell Co. when connected the citizens will not stand for it. The opinion is that no compensation should be given the Telephone Company for the public service connection with the Canadian Pacific. They consider the decision unfair. The Bell Telephone Co. is practically doing but little busi-Mayor Vigars stated that the popular feeling here was averse to com-pensation for the Bell Co. or the C.P.R.
