WAR ON BETWEEN BULGAR AND GREEK

Stiff Fighting in the Balkans—Large Part of Ahiolu Destroyed by Fire.

Sofia, Aug. 13. — Advices were received here today from Ahiolu, where the Greeks and Bulgarians have been fighting, to the effect that a large part of the town has been destroyed by fire. The Greek metropolitan is said to have perished in the flames.

Ahiolu or Anchialos is a seaport of Eastern Rumelia, on the Black Sea. It has a population of about 5,000.

London, Aug. 13.—A dispatch from Vienna to a London news agency states that the disturbance at Ahiolu yesterday were the result of an anti-Grecian demonstration, which the Greeks sought to break up by rifle shooting.

Prolonged fighting ensued, both sides losing heavily in killed and wounded. The Bulgarians then set fire to the town in four places. The Grecian clois- Dr. McNichol, the attending physi- the singing of a Te Deum.

The situation finally became so serious that troops had to be summoned from Burgas.

The Greeks held a meeting, at which it was decided to arm themselves with rifles and revolvers for the defense of their churches and cloisters, and to blow up the church, rather than allow them to fall into the hands of the Bulgarians.

The dispatch adds that at Rustchuk 20,000 Bulgarians tried to storm the Greek consulate, but were driven off by the troops.

A dispatch from Vienna to the same agency says that the news of the excesses against the Greeks in Eastern Rumelia occasions much excitement and indignation, adding that it is expected that Greece will be compelled to break off diplomatic relations with Bulgaria.

BOYS MANGLED BY TRAIN

Struck on "L" Tracks in Philadelphia—Bodies Hurled Into Crowd.

Elizabeth, N. J., Aug. 13.—Four boys all under nine years old, were killed on Broad street by a Pennsylvania railroad train this afternoon.

The bodies of two of the boys fell into the street among the crowd of shoppers. Broad street is the main thoroughfare of the city, and was crowded with women at the time. A number of them fainted, and there was great excitement. The bodies of the other boys fell on the tracks of the New Jersey Central Railway.

Both lines have elevated tracks at the point where the accident occurred, those of the New Jersey Central passing under the Pennsylvania tracks.

One of the boys that dropped to the lower track was found to be alive, but he died before an ambulance could reach the scene.

DOES CZAR SEEK EDWARD'S ADVICE?

Report His Majesty and Kaiser Will Aid Him in Present Situation.

London, Aug. 13.—King Edward and Queen Alexandra returned to London today from Cowes to prepare for his majesty's annual trip to Marienbad, on which he starts tomorrow.

The King will cross the channel in the royal yacht Victoria and Albert, to Flushing, where a special train will convey him to Friedrichshoff, near Wiesbaden, Prussia, where he will meet Emperor William on Aug. 15. There has been much speculation on the political significance of this meeting.

The Pall Mall Gazette says that recently an autograph letter from Emperor Nicholas to King Edward was brought by special messenger to the Russian embassy here and delivered to the King personally by the ambassador, and that at the same time other personal letters from the Russian Empress were received by relatives in this country.

The Russian Emperor's letter to the King is understood to have been a request for advice on the situation in Russia. A reply is said to have been sent, and almost immediately afterwards the meeting between King Edward and Emperor William was arranged.

After the conference at Friedrichshoff it is expected that a joint letter will be sent to Emperor Nicholas containing the advice of King Edward and Emperor William.

Grand Duke Alexis is staying at Homburg, and probably will represent the Russian Emperor if a further royal conference should be necessary.

Vienna.. Aug. 13. — It is semi-officially stated that King Edward when he leaves Marienbad will be the guest of Emperor Francis Joseph, at the Schoenbrunn Palace, Sept. 9, and that he will start on his journey for England the following day.

THE TELEGRAPHERS

Suspended Secretary Marr Secures a Restraining Injunction.

Philadelphia, Pa., Aug. 13. — Lewis K. Marr, the suspended secretary of the International Order of Railroad Telegraphers who yesterday secured a temporary injunction in the St. Louis courts restraining the order from proceeding with the trial of the charges against him, tonight made a statement explaining his action.

A number of officials of the order conferred with Mr. Marr at his home here today and after the meeting it was stated to be the intention to carry the controversy into the next annual convention of the order.

Mr. Marr claims his suspension was illegal and was caused by the dominant faction of the board of directors in an effort to prevent him from presenting at the next convention a minority report criticising what he termed manipulation of the organization's funds.

THE CROP OVERBOOMED

This Man Says There Will Be No Bumper Yield This Year.

Winnipeg, Aug. 13.—E. A. Partridge, of Sintaluta, one of the most extensive farmers of the west, and who is president of the Grain Growers' Company, is in the city.

Talking of the crops, Mr. Partridge said he had traversed this country thoroughly the last few months, and it was his opinion, based upon observations, that too much had been said in the newspapers about "bumper crops." There seemed to be an evident design to get up a crop boom and give the impression that there never was such a crop.

Mr. Partridge was quite sure that the prospects were greatly exaggerated. There might be a fair average crop, but he was confident there would be nothing beyond that. There were many spots where the yield would be splendid, but on the other hand, there were scores of districts where the yield would be but a poor average.

Mr. Partridge regarded it as specially injurious to the farmer to overboom crop prospects.

IT IS GOOD FOR MAN AND BEAST.—Not only is Dr. Thomas' Eclectric Oil of incomparable value in the household, but the farmer and stockman will find it very serviceable in the farmyard and on the cattle range, often saving the services of a veterinary surgeon. In injuries to stock and in cases of cough and pains it can be used with good effect.
