ARRAIGNS MOTHER FOR HER CONDUCT BEFORE CHILDREN

Magistrate Stingingly Scores Woman's Depravity.

Lillie White, wife of a soldier overseas, was convicted by the court today on a charge of conducting a house of ill-fame at 338 Ridout street. Magistrate A. H. M. Graydon, who presided for the first time since he was injured in a fall from a horse ten days ago, imposed a fine of \$25 and in default of payment 21 days in jail. Rachel Nevil of Forest, charged as an inmate, was remanded to jail for one week to permit Chief Williams to communicate with her parents. The magistrate discharged her first, with a warning, on condition that she leave the city, but when she stated she had no money and did not know where she could get any the court decided she would be better looked after in jail than at large on the streets with money, home or friends.

Police Sergt. Thomas Lucas and Patrolman William McCullough, who made the arrests, testified that they found the soldier and Mrs. White sleeping in the same room with the youngest of Mrs. White's three children. The children, the eldest only seven years of age, were handed over to Inspector Joseph Sanders of the Children's Aid Society. "I cannot possibly understand how the mother of three small children, with a husband overseas, could descend to the low level, to which you have gone," said Magistrate A. H. M. Graydon in imposing the penalty in Mrs. White's case. "If you have no moral sense yourself, surely you would have protected these three unfortunate children from such bad influence as this."

Lieut.-Col. W. J. Brown, A. A. G. of this district, was in St. Thomas Tuesday on a brief trip of inspection. While there he visited the Elgin County Jail with a view to making use of portions of it for military prisoners. He also visited the quarters of a company of the 1st Depot Battalion, W. O. R., which is expected to come into camp at Carling Heights in a couple of days.

WEST LOOKS GOOD

J. C. Elliott, M.P.P., Brings Back Glowing Report.

J. C. Elliott, Glenora, M. P. P. for West Middlesex, has returned from a six weeks' visit in the western provinces. He reports the prospects of bumper crops of wheat as the brightest in years. The western farmers have, Mr. Elliott stated, thereby responded to the greater production appeal with a will and as a result the greatest grain acreage ever sown in the west had been put in this spring.

ALADDIN'S MAGIC HAS NOTHING ON THIS OHIO WIZARD Discovers drug which loosens sore, touchy corns so they lift out

You reckless men and women who are pestered with corns and who have at least once a week invited an awful dose of lockjaw or blood poison are now told to use a drug called freezeone, which the moment a few drops are applied to any corn, the soreness is relieved and the entire corn, root and all, lifts out with the fingers. This new ether drug is the recent discovery of a noted Cincinnati chemist. It is a sticky substance which dries the moment it is applied and is said to simply shrivel the corn without inflaming or even irritating the surrounding tissue of skin. It is claimed that a quarter of an ounce of freezeone will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callous. You are further warned that cutting at a corn is a suicidal habit.

COUNTY COUNCIL MAY HOLD Y. M. C. A. GRANT PENDING INVESTIGATION

Resolution Regarding \$30,000 That Was Promised Will Be Considered at Today's Session.

That the promised grant of \$30,000 to the Y.M.C.A. should be withheld until the present charges over-charging and excessive profits against the organization were cleared up, was the opinion expressed by a number of the Middlesex County councillors at a meeting of that body last evening. The arguments advanced were that in view of the seriousness of the charges preferred by the G. W. V. A. at its meeting in Hamilton, the Y. M. C. A. should be given an opportunity to disprove these charges before the \$30,000 grant was finally paid. The council decided to take no definite action last night, but the question will be brought on for consideration today, when a resolution will be presented to withhold the money.

Councillor S. Oke's opened the discussion with respect to the Y.M.C.A. "There have been charges laid against the Y.M.C.A. which have not been cleared up, and I think we should give our people a grant of \$30,000 pending an investigation. We finally decided to withhold this money," said Councillor Oke. "I think this county council should withhold the \$30,000 grant until the charges are cleared up. The charges should be cleared up before we give the money to the Y.M.C.A. of the county of Middlesex."

Capt. (Ret.) A. Graham, formerly minister of Chalmers Presbyterian Church, and previous to that in Parkhill, has had tangible proof that his services as a chaplain first with the 15th Battalion, subsequently in England, and within the past few months attached to the local camp, have been appreciated by the high military authorities. He has been offered by Ottawa a choice of two appointments, both of which will appeal to him. One of these is to accept the senior chaplaincy in Winnipeg, with the rank of major; the other to accept the chaplaincy of the military hospitals in Toronto, retaining his present rank of honorary captain. It is understood that the opportunities for outdoor life afforded by camp chaplaincy make a special appeal to Capt. Graham, and he declines to accept either of the present offers. His future will present strong inducements for him to go to Winnipeg.

Capt. Graham has two sons serving the colors overseas. His eldest son, who went from Winnipeg at the beginning of the war, is serving with the 2nd Battalion, and the other is serving with the 1st Battalion. An opportunity will be afforded the commission to purchase any of the volumes which appeal to them in the fine collection of theological and other works.

CHURCH BELIEVES THAT NEWSPAPER ADS WILL AID IN ITS WORK

Latter Day Saints Will Use It Extensively Hereafter.

It was decided to advertise extensively at the quarterly meeting of the members of a local branch of the Reorganized Church of Jesus Christ of Latter Day Saints held Monday evening in the church on Maitland street. It was declared that the use of the newspaper in the First Presbyterian Church would bring satisfactory results. The financial budget of the year was presented, and the church's satisfaction with the progress made in the two years since the church edifice has been occupied. A total amount of \$3,000 was raised last year, exclusive of the local work. Walter Parker is the treasurer, and James Winegar is the financial clerk of this branch. A special service will be held tonight when the members overseas will be remembered with musical offerings, representing the number of leaves in the service of the country. The church in the afternoon will be a program also. The service will be conducted under the auspices of the women's auxiliary.

VOICE OF THE PEOPLE

THREE DONKEYS. To the Editor of The Advertiser: I thought we were a united empire, with the winning of the war our only object, but to judge by the furious letters written about the boy who is practicing the bagpipes in a school backyard the spiritual atmosphere must be mistaken. Everyone has his favorite musical instrument, therefore, preparing reports on various phases of Irish-pipes, and chaffing his mouth-organ, which is to some people slightly annoying, but we should have Christian patience with them all. When shall we meet them? M. DENNIS.

IT IS A DAY FOR THE PRAYER

To the Editor of The Advertiser: I was delighted to see in reading through the issue of today, that Rev. Mr. Bingham, in his sermon on Sunday last, touched upon a subject which has been the subject of consideration of not only the Government, but every individual, viz. the value of human life. If ever there was a time we should be humble and earnest in approaching God, it is today. Yes, what do we find? Clergy still preaching for self-aggrandizement; individuals, too many, church members in silks and satins, fancy boots and clothing, made chiefly to show off the physical beauty of the body, and not the spiritual beauty of the soul. Let us get back to the days of sackcloth and ashes, and let us pray for the souls of the children who will attend the prayer meeting. Our prayers should not be for ourselves, but for our enemies also in need of our prayers. A. A. EMBURY, 365 Dufferin Avenue, City.

FOR WOMEN WHO WORRY

Worry and "the blues" are usually taken together, and in many cases are due to some functional derangement which, if not corrected may lead to more serious ailments. More outdoor life, less tea-drinking and the system may be revitalized and strengthened by the use of Pinkham's Vegetable Compound, which is a perfect food and work wonder for any woman. If you are prone to worry and "the blues" try it.

Many Important Problems To Be Discussed by Delegates.

WILL LAST TEN DAYS

Sir George Smith, President of Aberdeen University, Coming.

Hundreds of Presbyterian ministers and laymen, representing the church from the Atlantic to the Pacific as commissioners to the 44th General Assembly, which convenes this evening in St. Andrew's Presbyterian Church, arrive in the city during today. Every train is being met by members of the reception committee with automobiles to convey the strangers to the billington headquarters in St. Andrew's Hall. Last evening Rev. Dr. Robert Campbell, senior clerk, arrived from Montreal and Dr. John Sommerville, the associate clerk, from Toronto, and today they are engaged in arranging the committee rooms.

St. Andrew's Church, with its splendid hall, is appealing to the delegates, who have arrived to date, as an ideal building for the holding of the big church convocation.

The auditorium of St. Andrew's Hall has been transformed into a reception room and quarters for the display of church publications. Under the direction of Rev. Dr. Duncan of Toronto, an attractive and exceedingly interesting exhibit has been placed on tables forming a hollow square to the north of the hall.

The individual class rooms both upstairs and downstairs have been allotted to the various committees, with the billington headquarters in charge of Rev. W. T. Martin, conspicuously placed.

The ladies' parlor, with a seating capacity of some hundred, has been set apart for the special prayer meetings which precede the regular sessions. Down in the large basement room, the dining-room and the scene of the Red Cross drive for the Western University Hospital unit, is fitted up as a writing-room with accommodation enough to serve half the assembly at once.

Will Decide Thursday

Special interest attaches to this room from the fact that displayed here is the magnificent library of the late Rev. Dr. Ross, former minister of St. Andrew's. An opportunity will be afforded the commissioners to purchase any of the volumes which appeal to them in the fine collection of theological and other works.

Will Decide Thursday

Yesterday afternoon a meeting was held of the committee to arrange for pulpits on Sunday. There was some uncertainty in regard to the coming of certain distinguished preachers expected, it will be impossible to make a final decision until Thursday night. After that the list will require to be approved by the church assembly. Rev. W. J. Clark, D.D., Westmount, it is stated, will preach to his former congregation in the First Presbyterian Church.

Among other preachers of prominence who will occupy pulpits are: Rev. Dr. Walter C. Murray, president of Saskatchewan University, Saskatoon; Prof. Falconer, Presbyterian College, Halifax; Rev. Dr. D. Field, Montreal; Rev. Dr. McTavish, Toronto; Rev. R. Mackay, foreign mission secretary; Rev. A. Wilson, Hamilton; and Rev. A. H. MacGillivray, Hamilton.

Aberdeen President

A visitor of outstanding prominence who will visit and address the assembly while it is in session is Sir George Adams Smith, president of Aberdeen University, who is at present touring the American continent in the interests of the British Government. He comes to the assembly as a representative of the U. F. Church of Scotland.

Board of Education

The board of education of which the chairman is Rev. Dr. Ramsay of Toronto, was in session all day yesterday, preparing reports on various phases of its responsibilities to present to the assembly. The forenoon was devoted to examination of credentials presented ailing to be received into the Presbyterian Church in the afternoon a number of specific cases were considered of students for the ministry, who, owing to health, religious arising out of the war, or other causes are unable to enter the ministry. The board also considered the case of a student who had been recommended to the assembly by the board of education of the Presbyterian Church in Ontario, and who had been recommended to the assembly by the board of education of the Presbyterian Church in Ontario, and who had been recommended to the assembly by the board of education of the Presbyterian Church in Ontario.

Recommended to Assembly

It is possible that the assembly of 1918 will go down in history as having inaugurated a great movement for the deepening of spiritual life, and associated with this, a movement of hitherto unattained scale to secure recruits for the ministry. In other phases of church and missionary service, and to raise an adequate sum to provide for the extension of missionary enterprise.

Plans for Amalgamation

Theological colleges as a war-time measure. In view of the depletion of the ranks of the students, will receive attention at the meeting this forenoon of the educational committee.

Members of the board of education who arrived yesterday to take their places were President Murray of Saskatchewan University, and Rev. Robert S. Laidlaw of Knox Church, Winnipeg, a former Westminster boy.

TIME LIMIT FOR REGISTRATION IS EXTENDED TO 15TH

19-Year-Old Youths Given Two Weeks More.

6,000 HAVE REPORTED

The Voluntary Enlistments of Others Bring This Close to Estimate.

Approximately 6,000 young men of the ages of 19 and 20 years, liable for service under the proclamation of May 4 last, have registered with the deputy registrar for this military district. The estimate of the military council for this district, comprising eleven counties, was 7,000 eligibles in the 19-year-old class. This estimate will not be far out, as it is claimed several hundred men volunteered for service and as a consequence are not included in the registration. A dispatch was received yesterday by the deputy registrar from Ottawa, informing him that the time for the registration of men affected by the last proclamation had been extended until June 15. As a consequence no notice will be taken to apprehend 19-year-old defaulters until after June 15. This extension granted will give those in this class some days yet to register before they are liable to arrest as defaulters.

BISHOP FALLON URGES HELP FOR SOLDIER

WINDSOR, June 4.—Representative of the Knights of Columbus led from all sections of Ontario are gathered here for the annual state convocation of the order which was formally opened this morning by State Deputy L. Murray of Renfrew. The delegate attended a solemn high mass in St. Alphonsus Church and heard an impressive sermon by Rev. Father C. Couslin, of Assumption College. Mayor Tustin extended a civic welcome. A cablegram was read from Bishop Fallon, now in England, urging the importance of establishing Catholic aid centers headquarters in London and other cities, and extending the provision of help.

Notice to Customers We would appreciate our many customers placing our cards prominently in their windows to enable our drivers to see them when passing. If this is done you will most certainly receive your ice. The last few days have been trying days for our drivers, who have been kept busy delivering ice until long, late in the evenings. They have had many calls back to addresses through failure of the card not being properly displayed. Let us, with your help, conserve time, as well as foodstuffs. Please put your card up in a conspicuous place when you want Artificial Ice.
