NEW YORK, June 1.-On the eve of his departure for Europe to visit Paris and Vienna, and possibly some Austrian health resorts recon to him by his physicians, E. H. Harri-man, worz is body, but alert of mind and vigorous of spirit, to-day analyzed past and present conditions.

WAS THE CRASH OF '07

But Public is on a Saner Basis

"There was no necessity for the 1907" panic," he declared. "That panic was directly caused by the extraordinary Landis' decision and the general attl-

tude prevailing at the time against the railroads and corporations gen-erally. There is no mistake about this. I know what I am talking about because I went thru it all. It was a panic of sentiment—a disaster caused by the fear of something that did not. It frightened people into withdrawing their money from circulation.

"The next panic will be something more serious, because it will be due to shrinkage of business. As far as the mental attitude of the public is concerned, we are on a saner basis to-

day than we were in 1907." day than we were in 1907. Mr. Harriman spoke haltingly often stopping as if groping for words to match his thoughts. His voice and manner were those of a man worn phy-

"I do not think that the tariff legis-lation will be of much importance," he declared, "good weather and good crops will have a much greater effect on business than the tariff." The question as to the ultimate re-duction of the yield of invested capital brought the reply that 50 years hence

DRAINAGE REFEREE

George F. Henderson, K.C., Ottawa, Appointed by Government.

George F. Henderson, K.C., Ottawa, drainage referee for Eastern Ontario, has been appointed drainage referee for the whole province at a salary of \$2500 per annum, taking the place of the late Col. J. B. Rankin, K.C., of Chatham. M While this appointment can hardly be said to be tentative, it is understood that a reorganization will take place shortly which will increase the effi-ciency of the service and reduce the cost of litigants.
